BOARD POLICY FOR USE OF SCHOOL FACILITIES

9002 Community Use of School District Facilities

The Board encourages the use of School District facilities to promote educational, recreational, cultural and civic activities in the community. The Board does not intend, through this Community Use policy, to create a public forum or limited public forum for expressive activity. The Superintendent will develop administrative regulations, as necessary, to implement this policy.

7010 Use of School District Facilities

The Superintendent is authorized to permit individuals, groups and organizations to use School District facilities when the use does not conflict with the use of School District facilities for School District purposes. The Superintendent will develop administrative regulations concerning the use of School District facilities.

FACILITY USE AGREEMENT AND REGULATIONS

The following administrative regulations govern the use and rental of school facilities, outdoor grounds and stadiums, and were developed in order to: protect the regular instructional program, those who use the facilities, and the taxpayer that has provided the facilities.

I. GENERAL REGULATIONS

The use of buildings will be approved only when an employee authorized by the school district staffs the building.

A facility/field reservation must be completed and approved for each event scheduled on all non-school days, or for after-school activities. This includes all athletic activities, enrichment programs, child care, employee use, rentals and events scheduled as part of the district or building calendar.

Requests for rentals must be made at least two weeks in advance.

Renters must agree to the terms in the confirmation estimate by email no later than 3 days prior to the reservation. Otherwise, the reservation will be considered cancelled.

Building access is not included with any field reservations.

Facility rental, personnel and equipment rates increased on January 1, 2024 and will increase again on July 1, 2024.

General liability insurance is required for all facility rentals. A certificate of insurance with Rochester Community Schools named as additional insured in the amounts of \$2,000,000 aggregate and \$1,000,000 each occurrence must be uploaded to the group's account in the facility reservation system before any rental requests can be entered.
