Dear Prospective Driver's Ed Students and Parent/Guardian,

The Driver's Education Program will again be hosted in Parker. Mr. Satter will conduct the classroom and driving portions of the course.

The Driver's Education Program will require a minimum of 30 hours of classroom instruction and six hours of "behind the wheel" experience. Students must attend **ALL** five days of the program. Please take this into consideration when signing up for the course. Classes will meet on Monday, May 28-30, 2024 and June 3-4, 2024 running from 8:00AM-4:00PM with a half hour break for lunch. The driving schedules will be arranged during class with Mr. Satter.

Mr. Satter's expectations for the class will need to be followed or your child will be dismissed from the class with no refund. So, be on your best behavior! 😊

The cost of the course for Parker students will be \$340.00. A deposit of \$170.00 is required by April 8, 2024 with the remainder due before the start of the class on May 28, 2024. Registration forms will not be accepted without the deposit fee. The cost of the course for non-Parker students will be \$390.00 (\$195.00 deposit) and will only be available after April 22, 2024. If you have any questions regarding Driver's Education fees please contact Jim Vogel, Business Manager.

Please complete the bottom portion of this letter and return to the high school office by April 8, 2024. Students must be 14 years of age by September 1, 2024 in order to sign up for this course.
