

McKinney-Vento Information

If your family lives in any of the following situations:

- In a shelter, motel, vehicle or campground
- On a street
- In an abandoned building, trailer or other inadequate accommodations, or
- Doubled up with friends or relatives because you cannot find or afford housing
- Your child lives with someone other than their parent/guardian

Then your preschool and school aged children have certain rights or protections under the McKinney-Vento Homeless Education Assistance Act.

Your children have a **right to:**

- Stay in their school even if they move
- Enroll in a new school without proof of residency, immunizations, school records or other papers
- Get transportation to school
- Go to preschool programs
- Get all the school services they need
- Have disagreements with schools settled quickly while attending their school of choice while disagreements are settled

When you move, please **do the following:**

- Contact the school district's local liaison for homeless education (see phone number below) for help in enrolling your child in a new school or arranging for your child to continue in his or her former school (or, someone at a shelter, social services office, or the school can direct you to the person you need to contact).
- Contact the school and provide any information you think will assist the teachers in helping your child adjust to new circumstances.
- Ask the local liaison for homeless education, the shelter provider, or a social worker for assistance with clothing and supplies, if needed.
