

2024-2025 Attendance Boundary Adjustments

Priority Choice Provisions

December 14, 2023

Folsom Cordova Unified School District wants to reduce the level of disruption that can sometimes occur with boundary adjustments. Staff has created the following Registration and Choice policy for students affected by the 2024-2025 elementary school boundary.

- **Applicability:** Priority Choice (Legacy Student(s)) only applies to grade K–5 students enrolled in a Folsom Cordova Unified School District elementary school in the 2023/2024 school year and whose residence is being transferred to the boundaries of another elementary school effective with the 2024-2025 school year. These boundary modifications include:
 - Shift of the following streets from Gold Ridge Elementary to Sandra J. Gallardo Elementary: Barnhill Drive, Blossom Rock Lane, Bradley Court, Bullion Lane, Kirby Court, Seabough Court, Sluice Way, Stonehedge Drive, Thompson Circle, Willow Bridge Drive and the Willow Springs Apartments.
 - Split of the Mangini Ranch Elementary boundary to create the new boundary for Alder Creek Elementary.
- **Registration Priorities:**
 - Resident students
 - If space is available and on an annual basis, School Choice applications will be processed in the following order:
 - Priority Choice Students (Legacy Student(s))
 - Grade K–5 students enrolled in a Folsom Cordova Unified School District elementary school in the 2023-2024 school year and whose residence is being transferred to the boundaries of another elementary school effective with the 2024-2025 school year.
 - Priority Choice Sibling(s)
 - Parents/guardians may request that a sibling (Priority Choice Sibling(s)), of a Priority Choice Student, attend the same school outside of their home attendance area as the Priority Choice Student, with priority given to the Priority Choice Sibling on a space available basis.
 - Non Legacy New School Choice
 - Interdistrict Transfers

School Choice applications must be submitted and approved on a yearly basis, are subject to space availability, and transportation will not be provided by the District.

- **Transportation:** FCUSD will not provide transportation for **any** choice students opting to remain at a school outside their newly assigned elementary school boundary.
- **Annual Update:** Due to the increase of enrollment from new construction and variations in future yield rates, attendance boundaries will be reviewed on an annual basis and may be adjusted in the future as needed.
