Recommended Action	It is the Administration's recommendation that the School Board approve the Comprehensive School Safety Plans (Internal/Non-Public) 2023-2024
Goals	2. Support all students in meeting and excelling in district benchmarks.

Executive Content

Rationale: The development of comprehensive school safety plans (CSSPs) is mandated by California Education Codes 32280-32282. This mandate states that each school's Site Council, or a Safety Planning Committee authorized by the Site Council, shall develop a plan that addresses the safety concerns identified through a systematic planning process. These plans support school sites in being as prepared as possible for emergencies and maintaining safe and secure school environments throughout the year. Each year, the CSSPs must be approved by the Governing Board by March 1, per Education Code 32286.

As linked below, each CSSP has already been approved and coordinated by the respective school site councils or school safety planning committees through a public meeting by Feb 1 as required by the CDE. Additionally, CSSPs are audited by an independent third-party company annually. This continues to result in certified CSSPs to meet and exceed California Education Codes' minimum requirements.

Financial Impact: No financial impact to the School District at this time.

Subject	11.1 2024 CSBA Delegate Assembly Nominations
Meeting	Feb 28, 2024 - Board of Trustees Regular Meeting - 7:00pm (Closed Session at 6:15 PM)
Category	11. Action Items - 15 min
Access	Public
Type	Action
Recommended Action	It is the Administration's recommendation that the School Board consider submitting nominations for CSBA Delegate Assembly representative from Region 5, Subregion 5-B (San Mateo). Candidates: Chelsea Bonini (San Mateo COE)* Sophia Layne (Cabrillo USD)* Patricia Murray (South San Francisco USD)* * - Denotes incumbent

Rationale: CSBA's Delegate Assembly is a vital link in the association's governance structure. Working with local districts, county offices, the Board of Directors and Executive Committee, Delegates ensure that the association reflects the interests of school districts and county offices of education throughout the state. There are two required Delegate Assembly meetings each year.

The Delegate Assembly provides policy direction for the association, elects officers and directors, and ensures that the association reflects the interests of school districts and county offices of education. The Delegate Assembly consists of:

- More than 280 elected board members from CSBA's 21 geographic regions;
- A 31-member Board of Directors;
- Past presidents of CSBA serving on local school boards;
- The immediate past president of the California County Boards of Education.

As described in Article III, Section 1, of CSBA's Bylaws, the Delegate Assembly has the following powers and duties:

- Adopt the policy platform every two years. The policy platform provides a broad framework for implementing the association's vision, mission and strategic directions, and as such guides the association's policy and political leadership activities
- Adopt policies and positions as needed to supplement the policy platform
- Provide testimony or input on critical issues during special hearings at Delegate Assembly meetings
- Elect the association's officers and Board of Directors
- Serve on standing committees, councils, task forces, and focus groups
- Adopt the corporate bylaws
- Provide two-way communication with local board members
- Provide advocacy on behalf of children, public education, school boards and the Association
- Support and participate in the association's activities and events.

Election to Office

Delegates are elected by CSBA member boards. Delegates are elected to represent and serve a two-year term. Nominees for a delegate seat must be a board member from a CSBA member board in the nominating board's region.

The Board may vote for up to the number of seats to be filled in the region or subregion as indicated on the ballot. For example, if there are three seats up for election, the Board may vote for up to three candidates. The Board may cast no more than one vote for any one candidate. The ballot also contains a provision for write-in candidates; their name and district must be clearly printed in the space provided.

The ballot must be signed by the Superintendent or Board Clerk as a designee of the board. Envelopes with the ballots must be postmarked by the U.S. Post Office on or before Friday, March 15, without exception.

Financial Impact: None.
