Personalized Learning Opportunities

The District seeks to create personalized learning opportunities permitted by Montana law, including but not limited to work-based learning, proficiency-based learning, offsite instruction, and transformational learning, to fulfill the people's goal of developing the full educational potential of each person.

Personalized learning opportunities are offered to:

- Develop individualized pathways for career and postsecondary educational opportunities that honor individual interests, passions, strengths, needs, and culture;
- Support the student through the development of relationships among teachers, family, peers, the business community, postsecondary education officials, and other community stakeholders;
- Embed community-based, experiential, online, and work-based learning opportunities;
- Foster a learning environment that incorporates both face-to-face and virtual connections; and
- Support transformational learning through the development of individual learning plans for participating students.
