The Truth About Reading

Free Showing & Seminar Discussion

Thursday, September 28th, 2023

North Dakota Heritage Center Auditorium
612 E Boulevard Ave, Bismarck, ND

4:30 PM - 8:00 PM

The movie *"The Truth About Reading"* highlights the repercussions that illiteracy can have on adults who did not learn to read in elementary school. The message of the film will help communicate the urgency to reflect on our teaching practices, curriculum, and pre-service learning in the teaching profession. It also demonstrates hope for a future where all citizens have the literacy skills to have a happy and successful family, personal, and professional life.
