

23 February 2024

Dear parents,

Letter from the Head

We are well into our second week since returning to classroom teaching and feedback from the teachers are that the students are settling in and are getting back into routine.

CCA's and Clubs

The start of our afternoon activities was well received by the students. The happy faces and interaction with their friends speak volumes.

The French online club, a joint venture within the three Trident Prep schools, kicked into action this past Wednesday.

AGM: 29 February @ 18h00

I trust that you all received the official invitation for our AGM scheduled for 29 February. Your attendance would be greatly appreciated.

If you have specific questions that requires clarification based on the points mentioned on the agenda, kindly email me so that the Executive Head, Mr Clarke or myself can provide feedback during the Q + A part of the meeting.

Inter-house Cross Country: 1 March @ 09h00

A reminder that we will host our Interhouse Cross Country on Friday 1 March.

It is a popular event on our school calendar, as it invites our parents to participate and support our students on the day. So, dust off those running shoes and come and spend the morning with us in a bit of sweat, love and laughter.

Students must please wear their house colours – the relevant House T-shirt is available in our uniform shop. Please contact Mr. Jones in the Admin office should you require any assistance.

TPK Super 10 Inter-house Triathlon: 16 March @ 07h00

As part of our 10th anniversary celebrations, we will be hosting a Super 10 Interhouse Triathlon.

It will involve all our parents, as far as possible. The winning house will be determined based on overall participation from parents and students per house.
