

# What is Fleetwood Virtual Academy?

---

The FASD Virtual Academy is an extension of the Fleetwood Area School District that provides online education for students and families who choose to follow a virtual education pathway. We offer online courses to satisfy a variety of student needs for Kindergarten through 12th grade. The FASD Virtual Academy has been in operation since the 2021-2022 school year and regularly has multiple students enrolled and taking one or more virtual classes.

# Why Choose Fleetwood Virtual Academy?

There are many reasons to participate in Fleetwood Virtual Academy!

## **FLEXIBILITY**

We allow students to choose their own schedules. This means they can study during the hours that work best for them, whether they are early birds or night owls. Students may choose to take all their courses online or they may choose to take a blending of online courses and traditional brick-and-mortar courses in our schools. Students are marked present as long as they are on pace to complete their course. For high school students, there is a wide variety of course offerings to get students ready for life beyond high school, as well as the ability to go to Berks Career and Technology Center for half a day.

## **PERSONALIZED**

We offer self-paced or asynchronous learning options. This allows students to move at their own pace, spending more time on subjects they find challenging and less on those they master quickly.

## **SUPPORT**

At Fleetwood Virtual Academy, students have a variety of supports available to them. We have a virtual facilitator who checks in with students and families regularly. Students are assigned to a school counselor. If a student has an IEP, GIEP, or 504, then they are assigned a case manager. Students may receive support virtually or come into the brick-and-mortar building. FASD also provides students with a Chromebook and any resources needed to ensure that students are successful in the program.

## **EXTRACURRICULAR**

Students can still participate in clubs, sports, and other extracurricular activities offered.

### **Next steps if you are looking to switch...**

If you would like to switch to Fleetwood Virtual Academy -

1. Enroll your student in Fleetwood Area School District at the FASD Business Office (801 N. Richmond Street).
2. Contact your student's school counseling office to schedule courses.

Or you can scan the QR code to our website:
