Helpful Hints from IT

If you are having trouble getting your chromebook to power on, try the following: Press the refresh button and the power button at the same time.

It is best practice to keep your Chromebook up to date. Please follow the below steps to update your device:

1. Click the time in the lower right hand corner and then select the gear icon
2. Select "About Chrome OS" on the left hand side of the page the last item in the list
3. Select the "Check For Updates" button
4. Once finished downloading select the "Restart" button to reboot your device and apply the update

Updating your device can help with common issues and make sure it is up to date for testing!

If you plug in your charger and no light comes on, try the same fix while your charger is plugged in. Refresh and power button at the same time.

If you have forgotten your Google email or password you can find that information in Family Access. Go to the [Kankakee Valley School Website](#), Parent Tab, then click on [Family Access Login](#). Once you login you will click Online Forms on the left hand side. You will see the Student Password, click that and it will bring up the Username and Password.

The screenshot shows a web portal interface for Kariakoo Valley High School. The main heading is "Step 1. Student Password (Required)". On the left is a navigation menu with "Online Forms" circled in red. The main content area lists several forms: "Student Password" (with "Open" and "Fill Out Form" links, the latter circled in red), "Phone Security PIN" (with "Open" and "Fill Out Form" links), "Emergency/Early Dismissal" (with "Open" and "Fill Out Form" links), and "Legal Custody" (with "Open" and "Fill Out Form" links). On the right, a "District Messages" box shows "1. Student Password" circled in red. Below the messages are buttons for "Previous Step", "Next Step", and "Close and Finish Later".
