

Welcome to the all-new dennisuniform.com!

Visit www.dennisuniform.com to get started

Start by searching for your school!

Type in your school name. If you don't see it right away, add the state for a more specific search. It's also helpful to remember your school code, which is located next to the name.

Next, select the grade & gender of your student.

Here, you'll see the uniform program for your student.

If you're not sure what items to start with, see the uniform guidelines at the top of the page. You can also sort items or filter by the Product Type.

Click on any product to view details.

Select the color and the size you need. Size Charts are available to help you get the perfect fit! When you're ready, click "Add to Bag". You can return to the store to continue shopping.

Ready to Check Out? Great!

Review your bag to ensure the items, quantities, colors and sizes are correct! Click "Continue to Checkout", add your shipping & billing info and pay using one of our many convenient options. You'll receive a confirmation email and an email when your order has shipped.
