

Grades 4 - 8

OUR MISSION

Greenville Park Leadership Academy's mission is to create a positive and safe environment committed to the academic and social excellence of all students.

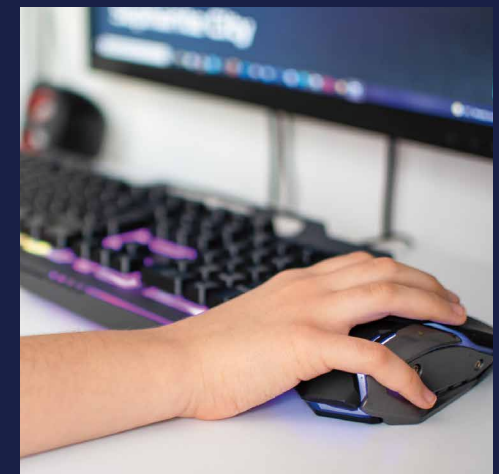

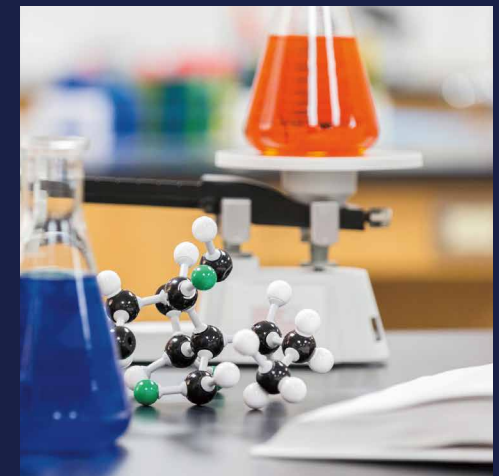

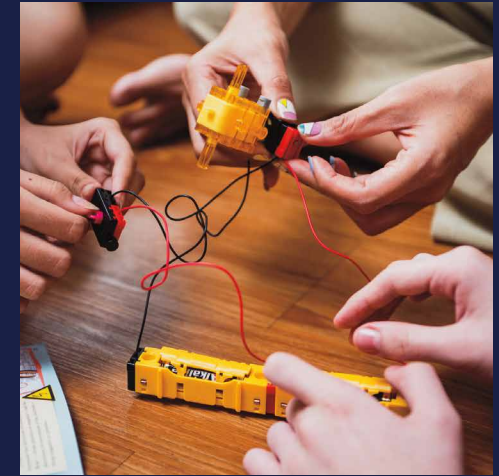

OUR VISION

The vision of Greenville Park Leadership Academy is to ensure that all those who enter leave with the skills, knowledge and character needed to successfully enter high school without remediation.

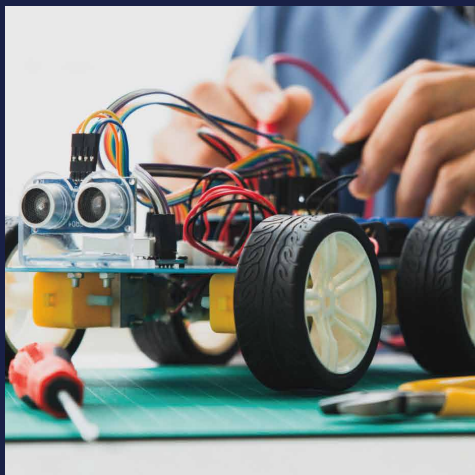

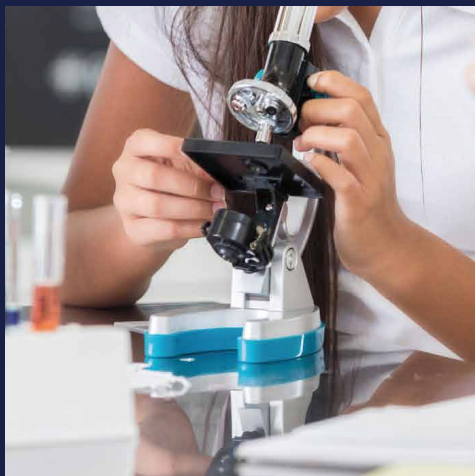

OUR ACADEMIC & MAGNET FOCUS

- Instrumental Emphasis on teaching students to discover, problem solve, and become lifelong learners
- Students learn how to analyze and evaluate information critically
- An extensive study of traditional subjects and how they relate and connect to one another
- Students are challenged to thoroughly investigate issues and problems
- Knowledge acquired encourages students to create, design, and develop useful solutions
- The STEM framework of Science, Technology, Engineering and Math play an integral part in teaching
- Affords students an opportunity to become well-rounded and function in a global society
- Project Based Learning designed to afford students an opportunity to develop knowledge and skills through engaging projects centered around authentic, real world challenges

STEM & STAR ACADEMY

The Tangipahoa Magnet Program promotes academic excellence and offers students with different interests, talents and aptitudes, unique educational opportunities.

Magnet schools integrate a unique theme into a high quality academic program with innovative teaching approaches that maximize student potential.

OUR GOALS

- Create Academic Excellence
- Celebrate Cultural & Ethnic Diversity
- Foster Student Development
