

To honor our Seniors' involvement in the Fine Arts at CHCA, a display celebrating the Class of 2024 will be displayed in the Theatre Commons during the run of Children of Eden. Each senior family is invited to provide a collage that commemorates their senior. Your participation in creating this special tribute is strongly encouraged but is completely voluntary. Please know that if your child is new to fine arts, any of their achievements in sports, academics, robotics, etc., can be recognized in their collage. Because our space is limited, please adhere to the following guidelines to help facilitate a successful/enjoyable lobby display:

In customizing your display, please

1. **Use a FOAMBOARD** that is no larger than **20" x 30"** as the base to attach your photos, playbills, programs, ticket stubs etc. Regular posters are too flimsy and can tear easily when hung.
2. **Leave a border** around every side of your display in case we need to punch holes in the corners to hang.
3. **Attach your items firmly. Glue dots** are an easy and stronger adhesive than tape.
OR you can create a board through a photo program and have it printed for you.
4. **Bring your completed projects** to the HS front desk starting the Monday of Tech Week; **Monday, 3/11 through Tuesday, 3/12.**

5. PLEASE have your Senior take their board home at the conclusion of Sunday's Matinee. (Save for Grad Party!)

If you have any questions feel free to contact us at: <Name of Senior Parent organizing for the show>
