MY FAMILY

Who lives in your house?

EVERYDAY HELPERS

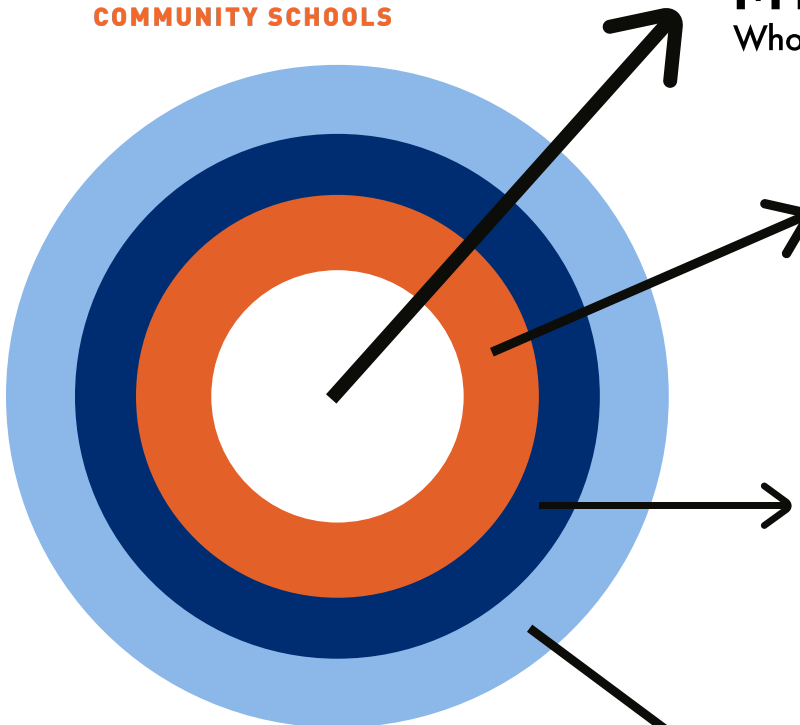

Who can help drop off or pick up your child from school when you cannot? These are people like friends, neighbors, and relatives who can regularly help.

OCCASIONAL HELPERS

Who do you know who may not be able to help daily, but could drop off or pick up your child if needed? Maybe it's a godparent, relative, or friend who lives outside your neighborhood but can help out for short periods of time.

POTENTIAL HELPERS

Who are people you know within your school community, church, or neighborhood who may be able to help if you ask?

If I need help getting my child to and from school, I will ask the following people to be our back-up:
