

CARNEGIE
LEARNING

FREE Online Math & ELA Tutoring

Kindergarten through 12th Grade!

***Base on Parents Selection**

Clayton County Public Schools

We are excited that your district has partnered with us to provide your students with live online **high-dosage tutoring**. All at no cost to families!

Highly qualified, certified teachers are available to provide intensive support to students. Our teachers will identify and close skill gaps, accelerate learning, and build academic confidence. Our data shows when students regularly attend Carnegie Learning's tutoring sessions, they increase their academic achievement by at least 30%.

Sessions are curated to support students in Literacy and Math. Students will have access to their Virtual Sessions at home. Students will be assigned to both Literacy and/or Math sessions by Carnegie Learning in collaboration with parental selection.

Easy to Attend Sessions!

1. Students will access the platform manually
2. Select the Littera Tutoring App
3. Access sessions on the days/times scheduled
