Transportation, Distribution, and Logistics course visits the Port of Long Beach

August 25, 2022

BVRP Coordinator, Trina Le, Transportation, Distribution, and Logistics instructor, Tony Ko, and his students at the Port of Long Beach field study.

Chino Valley Unified School District representatives visited the Transportation, Distribution, Logistics building September 8, 2022

Andi Johnston, Director of Communications for Chino Valley Unified School District, was excited to visit the TDL classroom and see students participate in class activities. Andi said, "It was exciting to experience the positive impact CVUSD's partnership with Baldy View ROP is having on students! Watching our Buena Vista Falcons gain such valuable hands-on experience under the tutelage of supportive instructors was an exciting adventure. Our district community loved seeing photographs of Buena Vista students online showcasing their time in class at the BVROP Career Training Center."

STUDENT SPOTLIGHT

Chaffey Joint Union High School District

Marisol Govea is a senior at Ontario High School. She's enrolled in our Transportation, Distribution, and Logistics course taught by Jeffrey Bautista, Xao (Charles) Lao, and Tony Ko. The class consists of hands-on learning with a simulator replicating a forklift, using a pallet jack, and the use of conveyor belts.

The most important lesson she learned as an ROP student is the value of networking, a positive attitude, and communication skills.

She thinks ROP is significant for students because it allows them to experience career training and collaborate with others. She believes ROP is a great way to meet new people and expand your socialization skills. Thank you, Mr. Bautista for sharing this story!

STUDENT SPOTLIGHT

Chino Valley Unified School District

Marlon Sedano, a senior at Don Lugo High School, is currently taking the Food and Hospitality Services course with Instructor Sam Abdelmalek. This course involves multiple essential skills: cooking, baking, cleaning, organization, teamwork, and following directions. The most important skills he learned as an ROP student were kitchen safety, cooking techniques, and how to interview and apply for jobs. His goal is to attend college and become a priest. He advises his peers in ROP to take advantage of what is being offered and never let opportunities pass by. Thank you, Mr. Abdelmalek for sharing this story!

Career Technician Spotlight

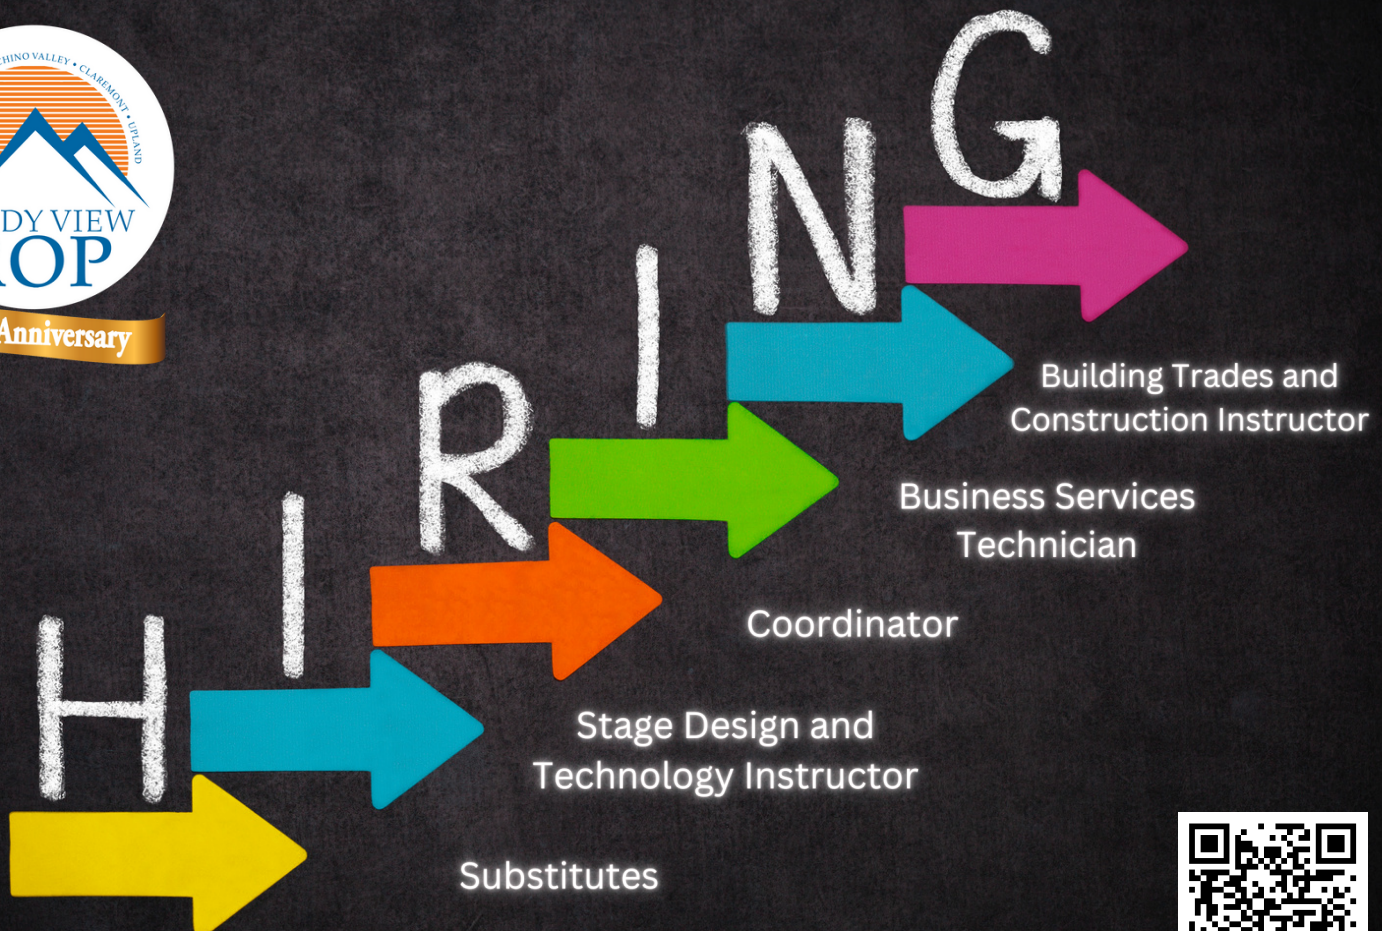

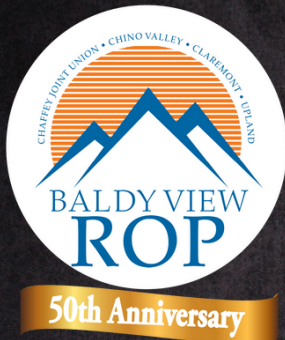

Angie Barragan is the Career Technician at Hillside High School. She has been with Upland Unified School District since 2015.

She has always had a passion to help students be successful after high school.

She enjoys seeing her students take advantage of courses that include licensure. Angie believes Baldy View ROP is an amazing program and helps to promote BVROP on her campus.

THANK YOU, ANGIE!

STUDENT SPOTLIGHT

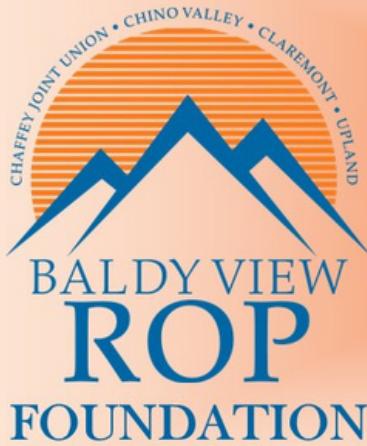

Claremont Unified School District

Kyli Epling is a senior at Claremont High School. She completed the Sports Medicine course taught by Jonathan Snapp. Her motivation for enrolling in this class was to get more familiar with her future career path in this field. She learned how to write a proper Subjective, Objective, Assessment, and Plan (SOAP) note and how to accurately diagnose a concussion. Her future plan is to go to school for Kinesiology and become an Athletic Trainer. She believes ROP is beneficial to students and teaches them the tools necessary for their future careers.
