## Celebrating Student Success Awards

Thursday April 21, 2016

Upland High School Highlander Auditorium

A total of 127 students representing Chaffey Joint Union High School District, Chino Valley, Claremont, and Upland Unified School Districts, as well as Excelsior Charter School were honored with certificates, medals, gift cards, and/or scholarships at the annual Baldy View ROP Student Success Awards. Students were honored for excelling in a range of state-recognized industry sectors. Students from the Baldy View ROP courses, Stage Technology and Floral Design, demonstrated their skills learned in class by producing the ceremony and decorating the venue.

52nd District Assembly Member Freddie Rodriguez gave the keynote address. As a former Baldy View ROP student, Assembly Member Rodriguez spoke about how ROP impacted his career as an Emergency Medical Technician and as a current Legislator. Support included the Baldy View ROP Commission, representatives from the California State Senate and State Assembly, US House of Representatives, California State Board of Equalization, San Bernardino County Board of Supervisors, California Regional Occupational Centers and Programs, Superintendents from Baldy View ROP's partnering districts, and the Baldy View ROP Foundation. Chaffey College and Dave & Busters sponsored the event.

Look inside for the names of all honorees and additional pictures from the event!

## STUDENT FIELD TRIPS

**Students in Instructors Joe Ferreira and Joe Nash's Law Enforcement Occupations course took a field trip to the San Bernardino County Sheriff's Department Frank Bland Regional Training Center on Tuesday, April 12<sup>th</sup>. Students learned about basic training procedures and processes for those pursuing a career with the Sheriff's Department. The class toured the training facilities and grounds. Special thanks to Instructor Joe Nash for attending with students and San Bernardino County Sheriff's Department Captain Darren Goodman for providing this opportunity for our students!**

**Retired Sergeant Tom Federoff instructs the Law Enforcement Occupations students about various aspects of training to become a sheriff with San Bernardino County**

**Corporal Kevin Fries speaks to students about the various requirements and training necessary to become hired as a sheriff in San Bernardino County, as well as the various job opportunities that are available**

Law Enforcement Occupations ↑

↓ Forensic Science

**Instructor Terry Henson's Forensic Science students toured the Ontario Police Department Crime Scene Investigation unit. Students observed crime scene investigation vehicles and held evidence manipulatives. Students also learned about linking evidence from crime scenes, presumptive drug testing, and the use of composite sketches. The tour underscored the value of problem-solving and critical thinking skills used in Forensics and Crime Scene Investigation. Forensic Science is taught during the Fall and Spring semesters at Chino and Upland High School. Crime Scene Investigation will be taught for the first time this year during the summer session at the Career Training Center Monday - Thursday, 2:00 - 7:00pm, from June 13<sup>th</sup> - July 21<sup>st</sup>!**

Corporal Fred Alvarez shines a black light over evidence manipulatives for Forensic Science students to examine

Forensic Science students pose in front of Ontario Police Department vehicles

## Welcome to Baldy View ROP!

**Sharmaine Campbell**

Human Resources Technician

Sharmaine joins Baldy View ROP as the Human Resources Technician where she will be assisting Human Resources Specialist Janet Perez. Sharmaine earned her Bachelors of Science degree from Cal Poly Pomona in Management and Human Resources with a concentration in Entrepreneurship. Her role with Baldy View ROP will be to represent the organization and provide quality service and resources to our staff and the public. She said that she looks forward to becoming an asset to the organization by establishing professional relationships and supporting Baldy View ROP's mission in providing quality career technical education to our students. Sharmaine is the board member of an independent social club, enjoys travelling, concerts, and spending time with her family.

**Erica Madrigal**

Registered Dental Assistant Instructional Aide

Erica joins Baldy View ROP as the new Instructional Aide for the Registered Dental Assistant course taught by Instructor Carolina Vasquez. She graduated from UEI College in 2005 and received her RDA license in 2007. Since then, Erica has worked in multiple dental offices through various disciplines including orthodontic, pediatric, and general dentistry. She has previous experience working in the dental field for another ROP and draws from her experience as a student in teaching others. She shared that she enjoys watching students grow in their profession and helping them to not be afraid of making mistakes so long as they learn from them. Erica enjoys taking trips with her husband and two daughters and watching sports together.

**Edward Rubalcava**

Warehouse Maintenance Clerk Operator

Edward is the new Warehouse Maintenance Clerk Operator for Baldy View ROP. He brings 10 years of experience in shipping and receiving along with maintenance work and inventory. Among his most unique jobs was assembling parts for an aerospace company. Eddie will draw from his experience to receive shipments for Baldy View ROP, maintain building grounds, keep track of inventory, and assist the Business Services Department and other departments with work orders. He looks forward to learning and growing in his position and getting to know everyone in the organization. Eddie enjoys weightlifting, watching soccer, and basketball as long as it's the Lakers who are playing. He loves spending time with his family and daughter.

## Congratulations Daniel!

Former Utility Worker, Daniel Castillo, retired this March after 15 years with Baldy View ROP. Passionate about spending time outside walking and fishing, we congratulate Daniel on his career and wish him a happy and well-earned retirement!

Vincent McCoy, Inland Empire Small Business Development Center; Peggi Hazlett, Ontario Chamber of Commerce; Chuck Stratton, Piping Industry Progress & Education; Mario Campa, California Steel Industries Inc.; Dora Edney, Baldy View ROP; Roseanne Redfearn, Baldy View ROP, Melissa Thomas, QVC; Shelley Adams, Baldy View ROP. Not pictured: Amy Delgadillo, Baldy View ROP Foundation; Tom Bazemore, SAC Health Systems; Rick Kusumoto, Coca-Cola.

The Institutional Advisory met at the Career Training Center on Wednesday, April 6<sup>th</sup> to tour the campus and to continue discussion of current events including planning for the upcoming Baldy View ROP Community Open House on Saturday, February 25, 2017. Special welcome to Melissa Thomas representing QVC to the Institutional Advisory!

## Staff News and Notes

### Baldy View ROP High School Open House Events

While the Baldy View ROP Community Open House is a little less than a year away, taking place on Saturday, February 25 2017, there have been several Baldy View ROP Open Houses held at high schools within Chaffey Joint Union High School District.

Chaffey, Los Osos, and Rancho Cucamonga High Schools each held Baldy View ROP Open Houses this spring to promote ROP courses. The one-day events took place during lunch breaks at each campus and were attended by Baldy View ROP instructors, staff, and each campus' Career Technician to promote Baldy View ROP courses and serve as enrollment drives for Summer and Fall courses.

Participating instructors showcased their courses through the use of props, course materials, visual displays, and flyers. Baldy View ROP staff and Career Technicians provided information about various ROP courses and addressed student questions about what types of ROP courses would benefit them as they pursue their career and college goals.

Participating instructors included Carolina Vasquez, Lorraine Avalos, Jessica Carter, Greg Stewart, Greg Martin, Jessica Garcia, Jeff Brehmeyer, Robert Martinez, and Marie Sliney. Special recognition to Lorraine Avalos and Jessica Garcia for attending all three Open House events. Great job!

Special thanks to Chaffey Career Technician Kelli Logan Wilson, Los Osos Career Technician Sandra Lopez, and Rancho Cucamonga Career Technician Debbie Souza. Thank you for your initiative, support, and continued service to students!

Student Services Specialist Art Holguin points the way to Career Technician Sandra Lopez at the Los Osos BVRP Open House

Plumbing Instructor Greg Stewart and Marketing Instructor Greg Martin talk with students at the Chaffey BVRP Open House

Floral Design and Events Planning Instructor Lorraine Avalos speaks with students at the Rancho Cucamonga BVRP Open House

### Claremont High School Career Technical Education Night

On Thursday, April 28<sup>th</sup> Claremont High School held their annual Career Technical Education Showcase. Students and parents in attendance were addressed by Claremont Principal Dr. Brett O'Connor about the value of Career Technical Education as it relates to college preparedness. They were able to visit various classrooms and meet with Baldy View ROP instructors exhibiting their courses. Instructors in attendance included Gerald Jo, Dessa D'Aquila, Tom Evans, and Jim Londagin. Student Services Specialist Art Holguin attended to provide additional information about Baldy View ROP and Claremont Career Technician Suzanne Miller was available to discuss registering for ROP courses.

Student Services Specialist Art Holguin meets with parents and students during Claremont High School Career Technical Education Showcase

### Staff Attending Conferences

Coordinator Lisa Fears Hackett, Ed.D., and Fiscal Analyst Josh Behnke attended a week-long Fundamentals of Federal Student Aid class in Washington D.C. from March 7<sup>th</sup> - 12<sup>th</sup>. The class is required training for schools seeking to obtain financial aid to provide for its adult students. Lisa and Josh's attendance helps support Baldy View ROP as we work to be able to offer financial aid to adult students. The class was hosted by the Superintendent of Schools in Washington D.C.

Assistant Superintendent of Educational Services Forest DeRenzo, Ed. D. and Program Specialist Hesham Diab, along with several partnering district staff and teachers, attended the Educating For Careers Conference in Sacramento from March 6<sup>th</sup>-8<sup>th</sup>. The conference focused on Career Technical Education (CTE) professional development and featured more than 170 breakout sessions over three days. Their attendance helps support our mission in continuing to provide "high-quality, rigorous, and relevant Career Technical Education that equips students for their future."

## STUDENTS BEING HONORED

Back from left: Commission President Sylvia Orozco, Commission Vice President Joe Lenz, Commission Member David Nemer, Etiwanda High school student Irene Willie, Upland High school student Hannah Rahmani, Instructor Marie Sliney, Upland High school student Valerie Vera, Commission Member Charles Uhalley, Upland High school student Grace Loya, CJUHS District Representative Council Member Virginia Kelsen, and Instructor Jessica Garcia; Front from left: Upland High school student Abril Marin, Ontario High school student Jocelyn Rodriguez-Diaz, Upland High school student Marisa Diaz, Upland High school student Kiana Simpson, Montclair High school student Keily Arevalo, Montclair High school student Carlos Saucedo

was like to work in a medical clinic and what the healthcare profession involves. These classes opened doors for me and showed me what I want to do for a career," she said.

Congratulations to the Healthcare Occupations and Medical Assistant students for their excellent work at the HOSA Conference and best of luck to Grace as she competes in June!

Students from Instructor Marie Sliney's Medical Assistant course and Instructor Jessica Garcia's Healthcare Occupations course attended the HOSA (formerly Health Occupations Students of America) Future Health Professionals State Leadership Conference in Anaheim from April 7<sup>th</sup> - 10<sup>th</sup>. Students participated in leadership activities and competitive health related events. Upland High School senior, Grace Loya, placed fifth in the Extemporaneous Health Poster portion of the Conference and was selected to represent Baldy View ROP and the state of California at the HOSA International Leadership Conference in Nashville, Tennessee this June.

Grace had to create a poster relating to antibiotic resistance which she painted in pastels. She will be taking part in another poster competition in Nashville which she looks forward to as she will compete against students from other states as well as other countries. Grace will be attending UC Riverside as a Biology Pre-Medical student and hopes to one day work as a trauma surgeon and get involved with Doctors Without Borders. Sarah credits her ROP courses with introducing her to the medical field.

"I took Healthcare Occupations over the summer and Medical Assistant this year. Before I took these classes I had no idea what I wanted to do after high school. Afterwards I learned what it

Upland High School senior and Medical Assistant student Grace Loya recognized at the HOSA Future Health Professionals State Leadership Conference

Two Baldy View ROP students were selected as winners and two Baldy View ROP students were selected as finalists for California State Senator 23<sup>rd</sup> District Mike Morrell's Patriots of the Future Award on Friday, April 1<sup>st</sup>. Finalists and award winners were recognized at a ceremony at the March Field Air Museum in Riverside. Rancho Cucamonga senior and RDA student Aubrey Wechselberger-Muniz along with Giselle Gonzalez, Rancho Cucamonga senior and Careers in Child Development student won the Patriots of the Future Award. Upland High School senior and RDA student, Jasmine Ramirez, as well as Rancho Cucamonga senior and Careers in Child Development student, Darian Kuhn, were selected as finalists.

Senator Mike Morrell, Giselle Gonzalez, Rancho Cucamonga High School senior, Careers in Child Development student, and Patriots of the Future Winner, and Darian Kuhn, Rancho Cucamonga High School senior, Careers in Child Development student, and Patriots of The Future Award Finalist

the torch of patriotism to those around me," she said.

Thank you to Senator Morrell's Field Representative, Melissa Boyd, for extending the invitation to apply for this award to our students.

The Patriots of the Future award is given to students who demonstrate their patriotism through involvement with the community and is based in part on an essay they write expressing what patriotism means to them. Students taking RDA help provide free dental care through Smile School held at the Career Training Center and students taking Careers in Child Development assist in teaching preschoolers at the Cougar Cubs Child Development Center at Rancho Cucamonga High School. These opportunities provide students with valuable experience working in the community and are an example of the kind of work that the Patriots of the Future Award recognizes.

Aubrey shared in her essay that she would like to continue studying dentistry and ultimately enlist in the Air Force to work as a military dentist. "A career in dentistry is one of the best ways to give back to the community and to my country as well. When I reach my goal of becoming an Air Force dentist, I will have found a perfect way to demonstrate my work ethic, ambition, and appreciation for public health care in a manner that allows me to pass

Jasmine Ramirez, Upland High School senior, RDA student, and Patriots of the Future Finalist, RDA Instructor Carolina Vasquez, and Aubrey Wechselberger-Muniz, Rancho Cucamonga High School senior, RDA student, and Patriots of The Future Award Winner

## Exmark Manufacturing visits Boys Republic

On March 24<sup>th</sup> representatives from Exmark Manufacturing visited Boys Republic to demo their line of mowing and turf-related equipment for local landscaping professionals. Boys Republic students from Instructor Derek Scott's Landscaping course had the opportunity to test out various machines while also getting the opportunity to network with local landscapers.

Michael Jones, Boys Republic alumni and Chino Hills Maintenance Worker, was in attendance and shared his appreciation for the opportunity to meet with students and discuss with them the possibilities afforded to them by continuing to work in landscaping.

"There are a lot of good influences here today and some business owners who are willing to give opportunities to some of these boys to work. When they do graduate this program, there are job opportunities for them," he said.

The event came together thanks to Instructor Scott's meeting with Exmark Territory Sales Manager Colin Iwasa at a Baldy View ROP Advisory meeting. The event was an example of the collaborative opportunities available to Baldy View ROP students as well as members from the local community. Special thanks to Derek Scott for sharing this story!

Michael Jones addresses students at Boys Republic about careers in landscaping.

Students at Boys Republic test out Exmark turf-related equipment.
