Celebrating Student Success Awards

Thursday April 21, 2016

Upland High School Highlander Auditorium

A total of 127 students representing Chaffey Joint Union High School District, Chino Valley, Claremont, and Upland Unified School Districts, as well as Excelsior Charter School were honored with certificates, medals, gift cards, and/or scholarships at the annual Baldy View ROP Student Success Awards. Students were honored for excelling in a range of state-recognized industry sectors. Students from the Baldy View ROP courses, Stage Technology and Floral Design, demonstrated their skills learned in class by producing the ceremony and decorating the venue.

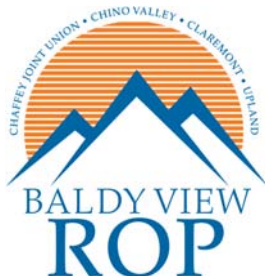

52nd District Assembly Member Freddie Rodriguez gave the keynote address. As a former Baldy View ROP student, Assembly Member Rodriguez spoke about how ROP impacted his career as an Emergency Medical Technician and as a current Legislator. Support included the Baldy View ROP Commission, representatives from the California State Senate and State Assembly, US House of Representatives, California State Board of Equalization, San Bernardino County Board of Supervisors, California Regional Occupational Centers and Programs, Superintendents from Baldy View ROP's partnering districts, and the Baldy View ROP Foundation. Chaffey College and Dave & Busters sponsored the event.

Look inside for the names of all honorees and additional pictures from the event!

Baldy View ROP awarded \$6.8 million

CA Department of Education CTE Incentive Grant!

Thank you and congratulations to all members of our consortium for your hard work and dedication in helping make this possible: Chaffey Joint Union High School District, Chino Valley, Claremont, and Upland Unified School Districts. The press release below was published in local newspapers including the Chino Champion, Claremont Courier, and Daily Bulletin.

FOR IMMEDIATE RELEASE

March 7, 2016

Contact: Sean Pravica, Marketing and Public Relations Specialist
909 980 6490 ext. 1238|sean_pravica@bvrop.org

Baldy View ROP receives California Department of Education CTE Incentive Grant

Baldy View ROP was among 265 grantees representing 669 local educational agencies to be awarded \$396 million in Year One career technical education (CTE) grants through the California Department of Education (CDE) CTE Incentive Grant. Baldy View ROP applied for the grant as a consortium comprised of its partnering districts: Chaffey Joint Union High School District, Chino Valley, Claremont, and Upland Unified School Districts. Among the consortia selected for grants, Baldy View ROP received one of the largest awards, \$6.8 million.

The 3-year, \$900M CTE Incentive Grant is intended to encourage school districts to support the development of relevant and emergent CTE pathways designed to meet industry needs. Successful grant awardees submitted proposals ensuring effectiveness through 10 high quality criteria indicators including curriculum and instruction aligned with California CTE standards; a cohesive sequence of CTE courses that help students transition to college or work upon high school graduation; qualified teachers and faculty, and data collection that allows for program evaluation.

Baldy View ROP will use the grant funding primarily for career pathway development in the medical, informatics, and logistics fields, each of which are industries that offer high-wage and in-demand employment opportunities in the Inland Empire region.

For more information about Baldy View ROP, please call 909-947-3400 or visit www.baldyviewrop.com.

STUDENTS BEING HONORED

Upland High school student Grace Loya, Upland High school student Kiana Simpson, Upland High school student Hannah Rahmani, Montclair High school student Carlos Saucedo, Montclair High school student Lilia Santos-Vazquez, Etiwanda High school student Irene Willie, Ontario High school student Jocelyn Rodriguez-Diaz, Montclair High school student Keily Arevalo, Upland High school student Marisa Diaz, Upland High school student Abril Marin, and Upland High school student Valerie Vera

Students from Instructor Marie Sliney's Medical Assistant course and Instructor Jessica Garcia's Healthcare Occupations course placed well at the HOSA (formerly Health Occupations Students of America) Future Health Professionals State Leadership Conference in Anaheim from April 7th - 10th. Students participated in leadership activities and competitive health related events. Upland High School senior, Grace Loya, placed fifth in the Extemporaneous Health Poster portion of the Conference and was selected to represent Baldy View ROP and the state of California at the HOSA international Leadership Conference in Nashville, Tennessee this June.

Grace had to create a poster relating to antibiotic resistance which she painted in pastels. She will be taking part in another poster competition in Nashville which she looks forward to as she will compete against students from other states as well as other countries. Grace will be attending UC Riverside as a Biology Pre-Medical student and hopes to one day work as a trauma surgeon and get involved with Doctors Without Borders. Sarah credits her ROP courses with introducing her to the medical field.

"I took Healthcare Occupations over the summer and Medical Assistant this year. Before I took these classes I had no idea what I wanted to do after high school. Afterwards I learned

what it was like to work in a medical clinic and what the healthcare profession involves. These classes opened doors for me and showed me what I wanted to do for a career.

Congratulations to the Healthcare Occupations and Medical Assistant students for their excellent work at the HOSA Conference and best of luck to Grace as she competes in June!

Upland High School senior and Medical Assistant student Grace Loya recognized at the HOSA Future Health Professionals State Leadership Conference

Four Baldy View ROP students were selected as Finalists for California State Senator 23rd District Mike Morrell's Patriots of the Future Award on Friday, April 1st. The students were recognized at a Ceremony at the March Field Air Museum in Riverside. Among the four finalists, Rancho Cucamonga senior and RDA student Aubrey Wechselberger-Muniz along with Giselle Gonzalez, Rancho Cucamonga senior and Careers in Child Development student were selected as winners of the Patriots of the Future Award.

The Patriots of the Future award is given to students who demonstrate their patriotism through involvement with the community and is based in part on an essay they write expressing what patriotism means to them. A total of four students were recognized. Two students from the RDA course work with the community in helping provide free dental care through Smile School held at the Career Training Center and two students from the Careers in Child Development course help teach preschoolers at the Cougar Cubs Child Development Center at Rancho Cucamonga High School.

Jasmine Ramirez, Upland High School senior, RDA student, and Patriots of the Future Finalist, RDA Instructor Carolina Vasquez, and Aubrey Wechselberger-Muniz, Rancho Cucamonga High School senior, RDA student, and Patriots of The Future Award Winner

Senator Mike Morrell, Giselle Gonzalez, Rancho Cucamonga High School senior, Careers in Child Development student, and Patriots of the Future Winner, and Darian Kuhn, Rancho Cucamonga High School senior, Careers in Child Development student, and Patriots of The Future Award Finalist

Aubrey shared in her essay that she would like to continue studying dentistry and ultimately enlist in the Air Force to work as a military dentist. "A career in dentistry is one of the best ways to give back to the community and to my country as well. When I reach my goal of becoming an Air Force dentist, I will have found a perfect way to demonstrate my work ethic, ambition, and appreciation for public health care in a manner that allows me to pass the torch of patriotism to those around me."

Thank you to Field Representative Melissa Boyd for extending the invitation to apply for the award to our students.

Exmark Manufacturing visits Boys Republic

On March 24th representatives from Exmark Manufacturing visited Boys Republic to demo their line of mowing and turf-related equipment for local landscaping professionals. Boys Republic students from Instructor Derek Scott's Landscaping course had the opportunity to test out various machines while also getting the opportunity to network with local landscapers.

Michael Jones, Boys Republic alumni and Chino Hills Maintenance Worker, was in attendance and shared his appreciation for the opportunity to meet with students and discuss with them the possibilities afforded to them by continuing to work in landscaping.

"There are a lot of good influences here today and some business owners who are willing to give opportunities to some of these boys to work. When they do graduate this program, there are job opportunities for them," he said.

The event came together thanks to Instructor Scott's meeting with Exmark Territory Sales Manager Colin Iwasa at a Baldy View ROP Advisory meeting. The event was an example of the collaborative opportunities available to Baldy View ROP students as well as members from the local community. Special thanks to Derek Scott for sharing this story!

Staff News and Notes

Baldy View ROP High School Open House Events

While the Baldy View ROP Community Open House is a little less than a year away, taking place on Saturday, February 25 2017, there have been several Baldy View ROP Open Houses held at high schools within Chaffey Joint Union High School District.

Chaffey, Los Osos, and Rancho Cucamonga High Schools each held Baldy View ROP Open Houses this spring to promote ROP courses. The one-day events took place during lunch breaks at each campus and were attended by Baldy View ROP instructors, staff, and each campus' Career Technician to promote Baldy View ROP courses and serve as enrollment drives for the Summer and Fall semesters.

Participating instructors showcased their courses through the use of props, course materials, visual displays, and flyers. Baldy View ROP staff and Career Technicians provided information about various ROP courses and addressed student questions about what types of ROP courses would benefit them as they pursue their career and college goals.

Participating instructors included Carolina Vasquez, Lorraine Avalos, Jessica Carter, Greg Stewart, Greg Martin, Jessica Garcia, Jeff Brehmeyer, Robert Martinez, and Marie Sliney. Special recognition to Lorraine Avalos and Jessica Garcia for attending all three Open House events. Great job!

Special thanks to Chaffey Career Technician Kelli Logan Wilson, Los Osos Career Technician Sandra Lopez, and Rancho Cucamonga Career Technician Debbie Souza. Thank you for your initiative, support, and continued service students!

Student Services Specialist Art Holguin points the way to Career Technician Sandra Lopez at the Los Osos BVRP Open House

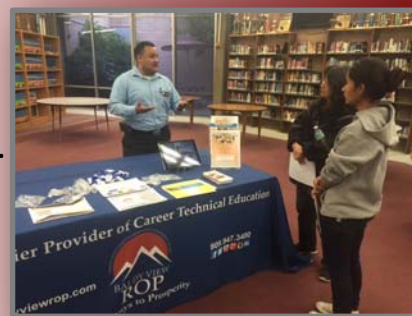

Plumbing Instructor Greg Stewart and Marketing Instructor Greg Martin talk with students at the Chaffey BVRP Open House

Floral Design and Events Planning Instructor Lorraine Avalos speaks with students at the Rancho Cucamonga BVRP Open House

Claremont High School Career Technical Education Night

On Thursday, April 28th Claremont High School held their Career Technical Education Night. Students and parents in attendance were addressed by Claremont Principal Dr. Brett O'Connor about the value of Career Technical Education as it relates to college preparedness. They were able to visit various classrooms and meet with Baldy View ROP instructors showcasing their courses. Instructors in attendance included Gerald Jo, Dessa D'Aquila, Tom Evans, and Jim Londagin. Student Services Specialist Art Holguin attended to provide additional information about Baldy View ROP and Claremont Career Technician Suzanne Miller was available to discuss registering for ROP courses.

Student Services Specialist Art Holguin meets with parents and students during Claremont High School Career Technical Education Night.

Staff Attending Conferences

Coordinator Lisa Fears Hackett, Ed.D., and Fiscal Analyst Josh Behnke attended a week-long Fundamentals of Federal Student Aid class in Washington D.C. from March 7th - 12th. The class is required training for schools seeking to obtain financial aid to provide for its students. Lisa and Josh's attendance helps support Baldy View ROP as we work to be able to offer financial aid to students. The class was hosted by the Superintendent of Schools in Washington D.C.

Assistant Superintendent of Educational Services Forest DeRenzo, Ed. D. and Program Specialist Hesham Diab attended the Educating For Careers Conference in Sacramento from March 6th-8th. The conference focused on Career Technical Education (CTE) professional development and featured more than 170 breakout sessions over three days. Forest and Hesham's attendance helps support our mission in continuing to provide "high-quality, rigorous, and relevant Career Technical Education that equips students for their future."

Welcome to Baldy View ROP!

Sharmaine Campbell

Human Resources Technician

Sharmaine joins Baldy View ROP as the Human Resources Technician where she will be assisting Human Resources Specialist Janet Perez. Sharmaine earned her Bachelors of Science degree from Cal Poly Pomona in Management and Human Resources with a concentration in Entrepreneurship. Her role with Baldy View ROP will be to represent the organization and provide quality service and resources to our staff and the public. She said that she looks forward to becoming an asset to the organization by establishing professional relationships and supporting Baldy View ROP's mission in providing quality career technical education to our students. Sharmaine is the board member of an independent social club, enjoys travelling, concerts, and spending time with her family.

Erica Madrigal

Registered Dental Assistant Instructional Aide

Erica joins Baldy View ROP as the new Instructional Aide for the Registered Dental Assistant course taught by Instructor Carolina Vasquez. She graduated from UEI College in 2005 and received her RDA license in 2007. Since then, Erica has worked in multiple dental offices through various disciplines including orthodontic, pediatric, and general dentistry. She has previous experience working in the dental field for another ROP and draws from her experience as a student in teaching others. She shared that she enjoys watching students grow in their profession and helping them to not be afraid of making mistakes so long as they learn from them. Erica enjoys taking trips with her husband and two daughters and watching sports together.

Edward Rubalcava

Warehouse Maintenance Clerk Operator

Edward is the new Warehouse Maintenance Clerk Operator for Baldy View ROP. He brings 10 years of experience in shipping and receiving along with maintenance work and inventory. Among his most unique jobs was assembling parts for an aerospace company. Eddie will draw from his experience to receive shipments for Baldy View ROP, maintain building grounds, keep track of inventory, and assist the Business Services Department and other departments with work orders. He looks forward to learning and growing in his position and getting to know everyone in the organization. Eddie enjoys weightlifting, watching soccer, and basketball as long as it's the Lakers who are playing. He loves spending time with his family and daughter.

Congratulations Daniel!

Former Utility Worker, Daniel Castillo, retired this March after 15 years with Baldy View ROP. Passionate about spending time outside walking and fishing, we congratulate Daniel on his career and wish him a happy and well-earned retirement!

Daniel with Director of Business Services, Carla Roberts, celebrating his retirement
