II. FLAG SALUTE

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under god, indivisible with liberty and justice for all.

III. MISSION STATEMENT

To employ an educational design and experience that merges the highest standards of academic excellence while fostering convictions and commitment to social and economic justice. The school acknowledges that both family and community involvement are integral to the student's academic achievement level, and will focus on fostering strong relationships between the school, family and community. Through these partnerships, the school will strive to create a nurturing environment by providing each student with the five resources deemed necessary for healthy child development by the President's Summit for America's Future. These include: a one-on-one relationship with a caring adult, a safe place to learn and grow, a healthy start, a marketable skill through effective education, and a chance to give back to peers and the community.

In order to provide a quality education, the curriculum offered will involve rigorous academics with a holistic approach to education. Special emphasis will be placed on service learning and espousing the importance of civic and social responsibility. The development of character, leadership skills, conflict resolution abilities, and community responsibility will be stressed to provide the students with the necessary tools to become contributing members of a democratic society.
