

Barnegat Township Schools Hall of Fame

The **Barnegat Township Schools Hall of Fame** was created in 2019 under partnership between the Barnegat Education Association and the Barnegat Board of Education as a means to publicly thank, recognize and honor, outstanding and memorable staff or volunteers who have made a significant impact on students and our school district alike. The Hall of Fame is also a means to honor the education profession as a whole for its vital role in shaping the future of individuals and society. The Hall of Fame's mission is to continue its very proud tradition, encourage excellence in all areas of education and continue to cultivate and preserve the rich heritage of our schools and those who dedicate themselves to its service.
