# Mission Statement

Our collective mission is to nurture and educate our children in accordance with all curriculum standards to prepare them for responsive citizenship and success in life.

# Strategic Plan Goals

## Goal #1 – Student Growth and Learning

**Goal: To promote the well-being of the whole child in order to maximize individual student's potential for future success.**

Objectives:

- Increase student access to and fluency with technology working towards on-demand access where students possess the fundamental computer literacy skills for success
- Narrow the achievement gap in order to achieve academic and social parity between all subgroups

# Strategic Plan Goals

## Goal #1 – Student Growth and Learning

Objectives (continued):

- Enhance student written and verbal communication through group and interpersonal learning
- To explore new and improved opportunities in performing arts through diversity of material and instructors to offer a high level of preparedness for the future
- To expand student's horizons and diversity in the areas of culture, language and trades to best prepare them for the global society.

# Strategic Plan Goals

## Goal #2 – Community Partnerships

**Goal: To facilitate bilateral district / community collaboration to meet post-secondary transition goals.**

Objectives:

- a. Create an atmosphere that encourages increased district engagement for ALL Barnegat citizens
- b. Facilitate proactive and positive communication to stakeholders
- c. Create mutually beneficial relationships with local small businesses
- d. Increase student and family involvement in events outside the school day

# Strategic Plan Goals (continued)

## Goal #3 – Facilities

**Goal:** To ensure all buildings, equipment, technology and grounds are created and maintained in a way that lends to longevity and savings, freeing up future budgets for improvements that might otherwise be challenging.

Objectives:

- a. Do more research when purchasing
- b. Hire adequate staff to maintain
- c. Proactive moves towards energy efficiency
- d. Making targeted goals to free up budget which could then be used towards other programs
- e. Continue to research outside funds / grants to assist with budgetary items

# Strategic Plan Goals (continued)

## Goal #5 – Facilities

**Goal: To obtain and responsibly manage equitable, sustainable funding for educational initiatives across the district so that students have access to the resources necessary to develop the whole child.**

Objectives:

- a. Increase technological infrastructure
- b. Maintain quality educators
- c. Increase / add programs for students in need
- d. Decrease student / teacher ratio to enhance educational effectiveness
- e. Provide diverse opportunities to prepare students for the next phase of their lives
