

FREE BREAKFAST

Beginning October 1

For all PK-12 students in Pennsylvania during the 2022/2023 school year.

On Friday, September 9, 2022, Governor Tom Wolf announced that Pennsylvania will make it possible for all schools participating in the School Breakfast Program (SBP) to provide free breakfasts for all enrolled students during the 22-23 school year, beginning with breakfast meals served October 1, 2022. This is regardless of if your student or family is eligible for the free and reduced lunch program. You will not need to enroll your student in order to participate.

Together, we can ensure that all students in our communities have access to healthy and nutritious meals at school for their optimal health and well-being. Reach out to your district's Director of Food & Nutrition with any questions you may have.
