

Parents,

The communities of Maynard, Clara City and Raymond along with the MACCRAY School District are teaming up to offer nutritious meals and snacks with a free weekend back pack food program called MACCRAY MAC-PAC. The MAC-PAC back pack program is available to all children attending MACCRAY Public Schools from pre-school through 12th grade.

The bags will be packed for your child and placed discreetly in their own back pack on the last school day prior to them going home for the weekend or extended breaks.

If you would like to have your child receive a MAC-PAC weekly food bag, please complete the following form and return it to any school office. One form per family, but list all the children attending school separately on the form below. If you have any questions, please contact Katie at the Elementary or Kathi at the MS/HS at **320-847-2154**. All information will be kept confidential by the school.
