## **615 TESTING ACCOMMODATIONS, MODIFICATIONS, AND EXEMPTIONS FOR IEPs, SECTION 504 PLANS, AND LEP STUDENTS**

### **I. PURPOSE**

The purpose of the policy is to provide adequate opportunity for students identified as having individualized education program (IEP), Rehabilitation Act of 1973, § 504 accommodation plan (504 plan), or English Learner (EL) needs to participate in statewide assessment systems designed to hold schools accountable for the academic performance of all students.

### **II. GENERAL STATEMENT OF POLICY**

#### **A. Minnesota Test of Academic Skills (MTAS)**

1. The school district will utilize the existing annual review of IEPs or 504 plans to review, on a case-by-case basis, and determine how a student with a disability will participate in statewide testing.
2. Participation decisions will be made separately for mathematics, reading, and science. The assessment options are the Minnesota Comprehensive Assessment (MCA) and the MTAS.
3. Eligibility Requirements
  - a. The following requirements must be met for a student with a significant cognitive disability to be eligible for the MTAS:
    - (1) The IEP team must consider the student's ability to access the MCA, with or without accommodations;
    - (2) The IEP must review the student's instructional program to ensure that the student is receiving instruction linked to the general education curriculum to the extent appropriate. If instruction is not linked to the general education curriculum, the IEP team must review the student's goals and determine how access to the general curriculum will be provided;
    - (3) The IEP team determined the student's cognitive functioning to be significantly below age expectations. The team also determined that the student's disability has a significant impact on his or her ability to function in multiple environments, including home, school, and community;
    - (4) The IEP team determined that the student needs explicit and intensive instruction and/or extensive supports in multiple settings to acquire, maintain, and generalize academic and life skills in order to actively participate in school, work, home, and community environments;
    - (5) The IEP team must document, in the IEP, reasons the MCA is or is not an appropriate measure of the student's academic

progress and how the student would participate in statewide testing.

- b. MTAS participation decisions must not be made on the following factors:
  - (1) Student's disability category;
  - (2) Placement;
  - (3) Participation in a separate, specialized curriculum;
  - (4) An expectation that the student will receive a low score on the MCA;
  - (5) Language, social, cultural, or economic differences;
  - (6) Concern for accountability calculations.

B. Alternate ACCESS for ELs

- 1. The school district will utilize the existing annual review of IEPs or 504 plans to review, on a case-by-case basis, and determine how an identified EL student with a disability will participate in statewide testing.
- 2. Eligibility Requirements
  - a. The student must be identified as EL in MARSS in order to take an English language proficiency assessment.
  - b. The student must have a significant cognitive disability. If the student has been identified as eligible to take the MTAS in mathematics, reading, or science, the student meets this criterion.
  - c. For students in grades that the MTAS is not administered:
    - (1) the student must have cognitive functioning significantly below age level;
    - (2) the student's disability must have a significant impact on his or her ability to function in multiple environments, including home, school, and community; and
    - (3) the student needs explicit and intensive instruction and/or extensive supports in multiple settings to acquire, maintain, and generalize academic and life skills in order to actively participate in school, work, home, and community environments.
  - d. The IEP team must consider the student's ability to access the ACCESS, with or without accommodations.
  - e. The IEP team must document, in the IEP, reasons the MCA is or is not an appropriate English language proficiency assessment for the student.

3. Alternate ACCESS participation decisions must not be made on the following factors:
  - a. Student's disability category;
  - b. Participation in a separate, specialized curriculum;
  - c. Current level of English language proficiency;
  - d. The expectation that the student will receive a low score on the ACCESS for ELs;
  - e. Language, social, cultural, or economic differences;
  - f. Concern for accountability calculations.

C. EL Students New to the United States

EL students new to the United States will take all assessments, including all academic assessments (math, reading, and science), as well as the English Language Proficiency Assessment (ACCESS).

**Notice of Rights & Procedural Safeguards for Disabled Students and their Parents  
Under §504 of the Rehabilitation Act of 1973**

The Rehabilitation Act of 1973, commonly known in the schools as “Section 504,” is a federal law passed by the United States Congress with the purpose of prohibiting discrimination against persons with disabilities who may participate in, or receive benefits from, programs receiving federal financial assistance. In the public schools specifically, §504 applies to ensure that eligible students with disabilities are provided with educational benefits and opportunities equal to those provided to non-disabled students.

Under §504, a student is considered to be an individual with a disability if he or she suffers from a physical or mental impairment that substantially limits one or more major life activities. Section 504 also protects students with a record of an impairment, or who are regarded as having an impairment from discrimination on the basis of disability. Students can be considered an individual with a disability, and can receive services under §504, including regular or special education and related aids and services, even if they do not qualify for, or receive, special education services under the IDEA.

The purpose of this Notice is to inform parents and students of the rights granted them under §504. The federal regulations that implement §504 are found at Title 34, Part 104 of the Code of Federal Regulations (CFR) and entitle eligible student and their parents, to the following rights:

1. You have a right to be informed about your rights under §504. [34 CFR 104.32] The School District must provide you with written notice of your rights under §504 (this document represents written notice of rights as required under §504). If you need further explanation or clarification of any of the rights described in this Notice, contact appropriate staff persons at the District’s §504 Office and they will assist you in understanding your rights.
2. Under §504, your child has the right to an appropriate education designed to meet his or her educational needs as adequately as the needs of non-disabled students are met. [34 CFR 104.33]. You have the right to refuse consent for services at any time.
3. Your child has the right to free educational services, with the exception of certain costs normally also paid by the parents of non-disabled students. Insurance companies and other similar third parties are not relieved of any existing obligation to provide or pay for services to a student that becomes eligible for services under §504. [34 CFR 104.33].
4. To the maximum extent appropriate, your child has the right to be educated with children who are not disabled. Your child will be placed and educated in regular classes, unless the District demonstrates that his or her educational needs cannot be adequately met in the regular classroom, even with the use of supplementary aids and services. [34 CFR 104.34].
5. Your child has the right to services, facilities, and activities comparable to those provided to non-disabled students. [34 CFR 104.34].
6. The School District must undertake an evaluation of your child prior to determining his or her appropriate educational placement or program of services under §504, and also before every subsequent significant change in placement. [34 CFR 104.35]. You have the right to refuse consent for initial evaluation.
7. If formal assessment instruments are used as part of an evaluation, procedures used to administer assessments and other instruments must comply with the requirements of §504 regarding test validity, proper method of administration, and appropriate test selection. [34 CFR 104.35]. The District will appropriately consider information from a variety of sources in making its determinations, including, for example: aptitude and achievement tests, teacher recommendations, reports of physical condition, social and cultural background, adaptive behavior, health records, report cards, progress notes, parent observations, statewide assessment scores, and mitigating measures, among others. [34 CFR 104.35].

***Section 504 Notice of Parent Rights & Procedural Safeguards***

**8.** Placement decisions regarding your child must be made by a group of persons (a §504 committee) knowledgeable about your child, the meaning of the evaluation data, possible placement options, and the requirement that to the maximum extent appropriate, disabled children should be educated with non-disabled children. [34 CFR 104.35].

**9.** If your child is eligible under §504, he or she has a right to periodic reevaluations. A reevaluation must take place at least every three years. [34 CFR 104.35].

**10.** You have the right to be notified by the District prior to any action regarding the identification, evaluation, or placement of your child. [34 CFR 104.36]

**11.** You have the right to examine relevant documents and records regarding your child (generally documents relating to identification, evaluation, and placement of your child under §504). [34 CFR 104.36].

**12.** You have the right to an impartial due process hearing if you wish to contest any action of the District with regard to your child's identification, evaluation, or placement under §504. [34 CFR 104.36]. You have the right to participate personally at the hearing, and to be represented by an attorney, if you wish to hire one.

**13.** If you wish to contest an action taken by the §504 Committee by means of an impartial due process hearing, you must submit a Notice of Appeal or a Request for Hearing to the District's §504 Coordinator at the address below. In North Dakota, you must submit the required notice or request in writing within one year of the action or omission giving rise to your complaint. Failure to make a timely request will result in the loss of your opportunity to pursue a due process hearing on that action or omission.

A date will be set for the hearing and an impartial hearing officer will be appointed. You will then be notified in writing of the hearing date, time, and place.

**15.** You also have a right to present a grievance or complaint through the District's local grievance process. The District will investigate the situation, take into account the nature of the complaint and all necessary factors, and respond appropriately to you within a reasonable time. Parents may contact the District's Section 504 Coordinator for more information about the District's grievance process.
