

TO: Class of 2027 and their Parents/Guardians

FROM: Mr. Matthew Triolo, East Stroudsburg South High School Principal

DATE: February 15, 2023

SUBJECT: **Scheduling Instructions for the 2023-2024 School year**

As principal of East Stroudsburg South High School, it is my pleasure to welcome the Class of 2027 to the South High School Cavalier family! We strive to bring success for all students in their academics and prepare them to enter the workforce or college after high school. The first part of this journey is selecting courses for the 2023-2024 school year. It is important to carefully plan your freshman year because it establishes the foundation for your high school career.

I have attached the following documents in this packet that will help you through this process.

- Q&A for students and their parents and guardians entering the high school
- Course Selection Worksheet – 9th grade
- NCAA Athletic Eligibility brochure
- ACT 158 - PA's Graduation Requirement

Important dates for scheduling process include:

- March 7th School counselors will distribute course selection materials to incoming freshmen at JTL. Our counselors will present the following information to the 8th grade class: course offerings and course selection process. *Snow Date - March 9th
- March 14 8th Grade Preview Day hosted at South High School from 9:00 a.m.- 11:00a.m. *Snow Date - March 16th
- March 14 In person 8th grade Parent Night at 7:00 p.m. The purpose of this meeting is to introduce parents to the specifics of high school education and answer questions (while students are welcomed, the night is geared towards parents). - * Snow Date 16th
- March 21st 8th Grade course selection session at JTL with East Stroudsburg HS South counselors
***Make sure you bring your course selection worksheet with you to this session (Attached)*

To participate in any course selection activity, students need to have their Chromebook and access to their Sapphire account. Students are unable to log on as a parent/guardian.

Please note that we will use Sapphire to communicate updates throughout the summer regarding your schedule and we will hold a Freshman Preview Night in August (details forthcoming of date and time).

CC. Dr. William Vitulli, Assistant Superintendent of Programs
Heather Piperato, Director of Secondary Education
