**EDWIN H. GREENE INTERMEDIATE SCHOOL**  
**After School Activities**  
**September 2021**

Greene School offers various after school activities to give students the opportunity to participate in special interest areas in a structured school environment. All activities are offered to fifth and sixth grade students unless otherwise specified. Activity groups meet immediately after the dismissal bell and in most cases end at 3:50 p.m.

**STUDENTS MUST BE PICKED UP PROMPTLY AT THE CONCLUSION OF THE ACTIVITIES IN ORDER TO PARTICIPATE.**

**STUDENTS SHOULD LISTEN TO MORNING ANNOUNCEMENTS FOR MORE INFORMATION REGARDING SPECIFIC ACTIVITIES.**

**PERMISSION SLIPS:**

Permission slips will be available about two weeks before the activity begins. **Students should pick up appropriate permission forms from the office and return the completed forms according to the sponsor's instructions.** This year, some clubs may use virtual permission slips, be sure to listen to the announcements for further details.

**ENROLLMENT:**

Many activities are very popular and fill up quickly. Enrollment will be done on a first come, first serve basis. Be sure to follow the sponsor's instructions when turning in permission slips.

### **COMPUTER CLUB**

Computer club is designed for students experienced with computer use who want to share their acquired technology skills; through video-taping, video editing projects, web pages, designing an online newspaper, and sharing software expertise with others. The students in computer club will be using digital video equipment and computers to produce video programs. The students will build on their skills in Power Point, Publisher and Word while learning to use Final Cut Pro as they create and produce videos. PLEASE EMAIL MRS. BURKLOW WITH ANY QUESTIONS!

**Location: Room 50-57**

## **MEDIA PRODUCTION**

This club will be taping, editing, and producing events around our school. Many times, teachers are in need of someone with expertise to help with a project in their classroom as well. The students will be trained using Digital Video cameras to tape Concerts, football games, drama performances and other activities during the school year. A culminating project for the group will be a video of “Life at the Greene School” production. Students will be using Final Cut Pro for editing.

The students will be given opportunities to video-tape high school football games and run the morning TV show at E.H. Greene.

Dates: This activity will be on Monday/Wednesday beginning in September and running throughout the school year. Participants will schedule their after school dates after they decide on projects they will be working on. This opportunity for flexible scheduling will help the students to work on projects at their convenience throughout the school year.
