## Understanding your benefit options

We understand the important role that benefits play in the lives of you and your family. **Most benefits renew on October 1 (unless otherwise noted) and continue through September 30.** You have an opportunity to make changes to your benefits package as a new hire and during Open Enrollment in August to ensure you and your family have the right coverage.

This benefits guide is an important tool to familiarize you with your benefit options. It also provides useful tips, tools and resources to help you think through your options and make decisions. As you prepare to enroll:

- Consider your benefit coverage needs for the upcoming year.
- Consider other available coverage.
- Gather information you'll need. If you are covering dependents, you will need their dates of birth and Social Security numbers.

Getting the most value from your benefits depends on how well you understand the plans and how you choose to use them. Be sure to read this entire guide for important information about your benefit options.

# BENEFIT BASICS

Your 2023-2024 benefits are effective October 1 through September 30 (unless otherwise noted).

## Covering yourself and your family

Employees have to work at least 30 hours per week to be eligible. Benefits are effective first day of work. If your employment ends, your benefits will terminate at the end of the month following your last day of employment. The following dependents are also eligible:

- Your legal spouse
- Your children up to age 26\*

You may be asked to provide documentation to verify eligibility for each family member you cover.

\*Age limits may vary by coverage. Please refer to your district plan document or carrier to confirm dependent age limits.

## Making changes during the plan year

Generally, you may only make or change your existing benefit elections as a new hire or during the annual Open Enrollment period. However, you may change your benefit elections during the year if you experience a qualified life event such as:

- Marriage, divorce or legal separation
- Birth or adoption of a child
- Loss or gain of other coverage by the employee or dependent
- Eligibility for Medicare or Medicaid

Depending on the type of event, you may need to provide proof of the event, such as a marriage license. If you do not make the changes within 31 days of the qualified event, you have to wait until the next Open Enrollment period to make changes (unless you experience another qualified life event).

## When your benefit plans reset

Your annual deductible and out-of-pocket maximums for your medical plan reset at the beginning of the plan year on October 1, 2023. The deductibles and annual maximums for the dental and vision plans reset at the beginning of the calendar year on January 1, 2024.

## ELECT YOUR BENEFITS WITHIN 31 DAYS

You have 31 days from your date of hire or a qualified life event to make changes to your coverage.

# MEDICAL PLAN OVERVIEW

We offer a choice of three medical plans through Anthem. All medical plan options include coverage for prescription drugs. To select the plan that best suits your family, consider the key differences between the plans, the cost of coverage (including payroll deductions) and how the plan covers services throughout the year.

## Understanding how your plan works

YOUR DEDUCTIBLE	YOUR COVERAGE OPTIONS
<p>You are responsible for most medical and pharmacy expenses until you reach your annual deductible. Note that all plans cover in-network preventive care at 100%, even if you haven't met your deductible.</p> <p>Once you reach your out-of-pocket maximum, eligible expenses are covered in full for the remainder of the year excluding copayments.</p>	<p>Under the <b>Premium HRA plans</b>, your claims will automatically be paid with the Health Reimbursement Arrangement (HRA). If you use up all of the funds in the HRA, you are responsible for the remainder of the non-preventive expenses until you reach your out-of-pocket maximum. If there is a copay for the service, you pay that amount and it does not count toward your deductible or out-of-pocket maximum.</p> <p>Under the <b>HSA plan</b>, you are responsible for all non-preventive expenses until you reach your deductible. Once you reach your deductible, the plan will cover a portion of the costs until you reach your out-of-pocket maximum. You can use your tax-free Health Savings Account (HSA) to pay for your expenses.</p> <p>Under the <b>KIDZ plan</b>, you are responsible for all non-preventive expenses until you reach your deductible. Once you reach your deductible, the plan will cover a portion of the costs until you reach your out-of-pocket maximum. If there is a copay for the service, you pay that amount and it will count toward your out-of-pocket maximum.</p>

## Making the most of your plan

Getting the most out of your plan also depends on how well you understand it. Keep these important tips in mind when you use your plan:

- **In-network providers and pharmacies:** You always pay less if you see a provider within the medical and pharmacy network.
- **Preventive care:** In-network preventive care is covered at 100% (no cost to you). Preventive care is often received during an annual physical exam and includes immunizations, lab tests, screenings and other services intended to prevent illness or detect problems before you notice any symptoms.
- **Pharmacy coverage:** Medications are placed in categories based on drug cost, safety and effectiveness. These tiers also affect your coverage:
  - **Generic** – A drug that offers equivalent uses, doses, strength, quality and performance as a brand-name drug, but is not trademarked.
  - **Brand preferred** – A drug with a patent and trademark name that is considered “preferred” because it is appropriate to use for medical purposes and is usually less expensive than other brand-name options.
  - **Brand non-preferred** – A drug with a patent and trademark name. This type of drug is “not preferred” and is usually more expensive than alternative generic and preferred brand drugs.
  - **Specialty** – A drug that requires special handling, administration or monitoring. Most can only be filled by a specialty pharmacy and have additional required approvals.
- **Mail order pharmacy:** If you take a maintenance medication on an ongoing basis for a condition like high cholesterol or high blood pressure, you can use the mail order pharmacy to save on a 90-day supply of your medication.

# HEALTH REIMBURSEMENT ARRANGEMENT

A Health Reimbursement Arrangement (HRA) is an account the district funds that you can use to pay for qualified health care expenses.

## It helps you pay for medical expenses

If you are enrolled in an HRA plan, your claims will automatically be paid with the HRA. If you use up all of the funds in the HRA, you are responsible for any remaining expenses until you reach your out-of-pocket maximum. This includes out-of-pocket expenses to meet your deductible but does not include medical or prescription drug copays.

## Unused funds roll over

If you have HRA funds left over at the end of the year, and remain enrolled in an HRA medical plan, your funds roll over up to district limits and can be used for eligible expenses the following year.

You must be enrolled in the plan by July 1 of each year in order to roll the HRA over to the following plan year. If you leave the district or change plans, however, you forfeit any remaining balance.

## HOW THE PREMIUM PLAN HRA WORKS

- For services with a copay listed, you pay the copay amount, and then the rest of the services are covered and are not subject to the deductible.
- The HRA automatically covers your claims until you reach your deductible and/or out-of-pocket maximum.
- If there are no funds left in the HRA, you are responsible for the expenses until you reach the deductible and/or out-of-pocket maximum.

## IMPORTANT NOTE

For Premium plans, please remember not to provide payment to providers up front, unless it is a copay or pharmacy expense. Providers should submit claims through Anthem for the HRA funds to be applied first.

Please note that HRA rollover funds for the current plan year will be available the following February each year.

# SAVINGS AND REIMBURSEMENT ACCOUNTS

There are several account options that enable you to pay for eligible expenses **tax-free**.

- **Health Savings Account (HSA)** – Available to those enrolled in the HSA Plan as long as you are not enrolled in any other health coverage or Medicare, or claimed as a dependent on someone else’s tax return.
- **Health Care Flexible Spending Account (FSA)** – If you are not enrolled in an HSA plan you can use this account for medical, pharmacy, dental and vision expenses.
- **Dependent Care FSA** – Use for eligible childcare expenses for dependents under age 13 or elder care.

We also offer the Premium Plans with a Health Reimbursement Arrangement (HRA). This is a reimbursement arrangement only. You cannot contribute to this account; it is funded and owned exclusively by the CSD Insurance Trust.

IRS Publication 502 provides a list of eligible expenses for each account at [irs.gov](https://www.irs.gov).

## FSA ADMINISTRATOR (HSA Bank)

The Flexible Savings Account (FSA) administrator is HSA Bank. Note that HSA Bank is just the name of the bank and does not mean you have a HSA account through this bank. You can access your new or existing account at HSA Bank through COMPASS or visit <https://myaccounts.hsabank.com/Login.aspx>. During open enrollment log in to COMPASS to make your FSA election.

If you have newly enrolled in a FSA, you will receive login instructions and your FSA Debit Card in the HSA Bank Welcome Packet which will be mailed to you in September. Additional debit cards can be requested free of charge by calling HSA Bank or in your HSA Bank online account.

# HEALTH SAVINGS ACCOUNT

A Health Savings Account (HSA) is a savings account that belongs to you that is paired with the HSA Plan. It allows you to make tax-free contributions to a savings account to pay for current and future medical expenses for you and your dependents.

## START IT

- Contributions to the HSA are tax-free for you — whether they come from you or the district. **The district contributes up to \$1,476 (\$123 per month).**
- Plans with an HSA typically cost less than other plans so the money you save on premiums can be put into your HSA. You save money on taxes and have more flexibility and control over your health care dollars.
- Once you've enrolled in the HSA plan, open your HSA as soon as possible through Anthem. To open your HSA account, go to the Sydney Mobile app or [anthem.com](https://www.anthem.com) to register.

## Start It

- All of the money in your HSA is yours (including any contributions deposited by the district) even if you leave your job, change plans or retire.
- The total of your contributions and the district can be up to \$3,850 for individual coverage and \$7,750.

## Start It

When you visit an in-network medical provider:

- Typically you pay nothing at the time of service.
- You will receive an explanation of benefits showing the total cost and “allowed” cost. Your provider will then bill you for the “allowed” cost of the service(s).
- If you have funds in your HSA, you can pay your provider using your HSA checkbook or debit card.

When you visit a pharmacy:

- Show your ID card at the pharmacy (or provide it to the Mail Order Pharmacy).
- You will pay the full discounted cost for the prescription at the pharmacy if your deductible has not been met.
- Use your HSA checkbook or debit card to pay for your prescription.

## Start It

- Unused money in your HSA will roll over, earn interest and grow tax-free over time.
- You decide how to use the HSA money, including whether to save it or spend it for eligible expenses. When your balance is large enough, you can invest it — tax-free.

## ELIGIBILITY DETAILS

- If you are age 55 or older, you can contribute an additional \$1,000 per year.
- You are not allowed to be enrolled in any other health coverage, and cannot have an HSA if you are enrolled in any other health coverage or Medicare, or claimed as a dependent on someone else's tax return.
- You cannot participate in the Health Care Flexible Spending Account (FSA) if you have an HSA. Your spouse also cannot have a Health Care FSA.

# VOLUNTARY BENEFITS

## Accident Insurance

Accident Insurance provides benefits to help cover the costs associated with unexpected bills due to covered accidents, regardless of any other insurance you have. If you purchase coverage and are hurt in a covered accident, you will receive a cash benefit for covered injuries that you may spend as you like.

### Examples of covered injuries:

- Broken bones
- Burns
- Torn ligaments
- Cuts repaired by stitches
- Eye injuries
- Ruptured discs
- Concussion

## Hospital Indemnity Insurance

Hospital Indemnity Insurance provides a fixed lump-sum payment that can help you cover expenses not covered by insurance while you, your spouse and/or dependents are in the hospital. The plan provides a daily payment for each day you are hospitalized.

## Critical Illness Insurance

Critical Illness Insurance provides cash to help pay for both medical expenses not covered by your medical plan as well as day-to-day expenses that may start to add up — like rent, mortgage, car payments, etc. — while you are ill. With Critical Illness Insurance, if you are diagnosed with a covered illness, you get a lump-sum cash benefit, even if you receive other insurance benefits.

### Examples of covered illnesses:

- Cancer
- Heart attack
- Major organ failure
- End-stage renal (kidney) failure
- Coronary artery bypass graft surgery
