# About Us

The Future Ready Centers are a Wichita Public School and WSU Tech partnership that provides students with hands-on training, learning opportunities, and mentoring from industry experts while still attending their base high schools. Students are enrolled in two courses and attend every other day on the A/B schedule.

A few details:

- 100% Free-- No Additional Cost
- Starts every Fall and Spring semester
- Open to WPS juniors and seniors
- Transportation available
- No books required
- Students earn college credit
- Guaranteed work-based learning internship

## FUTURE READY HEALTHCARE
