1 - This includes the opportunity to earn core curriculum dual credit included in most degrees. Contact your prospective postsecondary institution about the transferability of these courses towards your selected degree.

2 - Lone Star College offers related programs of study such as Visual Communication. Get a jump-start by taking advantage of core curriculum dual credit and certifications offered in CFISD.

3 - Partnering a diverse portfolio with the documentation of skills that comes with certification may open doors for you with institutions/employers looking for someone with skills in this field. This includes skills with producing special effects and animations for applications that run on mobile devices according to the US Bureau of Labor Statistics.
