- 1 - This includes the opportunity to earn core curriculum dual credit included in most degrees. Contact your prospective postsecondary institution about the transferability of these courses towards your selected degree.
- 2 - Applicants who have formal education in fashion design; are proficient in design technologies; have excellent portfolios; and have industry experience will have the best job prospects in this extremely competitive industry according to the US Bureau of Labor Statistics.
- 3 - Since apparel continues to be produced internationally, it may be necessary for some fashion designers to relocate.
