Web Development

1 - Contact your prospective postsecondary institution about the transferability of these courses towards your selected degree.

2 - Lone Star College offers related programs of study such as Mobile/Web Application Development. Get a jumpstart by taking advantage of core curriculum dual credit and certifications offered in CFISD.

3 - The US Bureau of Labor Statistics indicates that having knowledge of multiple programming languages will increase your marketability. If you have room, consider at least adding Computer Science I K. Programming is also included in the AAS degree mentioned above.
