## *Principal's Corner*

Dear Tipps' Families,

As we close out the 2020-2021 school year; please allow me to extend my sincere gratitude to all our Tipps families for your warm welcome into the Tipps community.

We are fast approaching a much-anticipated summer vacation starting for all students on Friday, June 4<sup>th</sup>.

Summer vacation provides many opportunities for rest and relaxation as well as time to plan for the coming school year. Try to practice math facts with your student(s) and plan to read each day so that when your student returns in August, they will be ready to jump into learning! Our Library will be open during the summer for our Tigers to checkout books.

Enjoy your time off. Remember to make memories with your family and cherish the moments you spend together.

See you in August 2021!

Mrs. Thomas, Principal

## *School Supply Information*

School Supply packets will go on sale July 1, 2021 in the School Cash online system. Our goal is to keep the cost as low as possible for our families. All packets will be delivered to your child's classroom on the first day of school. We will have a few extra packets to sell in August, but once we run out, we are unable to reorder.

For those who wish to purchase supplies at an area store; the list of required supplies will be posted on our school website so that you can access at a time that is convenient for you. Be sure to watch for summer sales on items such as crayons, markers, composition books and other commonly used supplies.

## ***SPIRIT WEAR ON SALE***

**Pre Order** your 2021-2022 Spirit Shirt starting on **July 1, 2021** in the School Cash online payment system.

Spirit Shirts are on sale for \$12.00 each for all youth sizes as well as adult small, medium and large. Adult extended sizes are \$15.00 each.

We still have custom Tipps' student face masks for sale for a cost of \$4.00 each.

Parents can register for a School Cash account to purchase all spirit merchandise. Deliveries will be made in August, 2021. Stay tuned for more information regarding how/when orders will be delivered.

## ***Technology Announcement***

As per district directive, students that are receiving **replacement** equipment can sign for the new equipment to indicate they have received it. All students receiving replacement equipment must have an original parent receipt on file to receive any additional equipment. Mrs. DonLevy (Librarian) will add the new receipt to the original one signed by the parent. This does not apply to any students receiving any type of equipment for the **first time**, even if they have received other equipment before. For example, if a student who already has a Chromebook is now being issued a Hotspot, the parent must return a completed receipt for the student to get the new Hotspot.
