

Form Due May 11, 2020

2020-2021 Salary Threshold = \$141,000

In response to legislative efforts to encourage greater cost sharing in service provision and local government administration, we now provide a section for districts that share administrative staff to highlight these efforts for the upcoming school year. Each sharing district should identify in the form the other district(s) with which they will be sharing administrative staff for school year 2020-2021.

If you will be sharing a Superintendent, list the other district (or districts) in the text box. If you will be sharing other administrative staff required to be reported, please send an email to EMSCMGTS@nysed.gov indicating the title of the staff persons(s) as well as the other district(s) involved in the cost-sharing.

*The salaries, benefits and other compensation reported in the form should reflect only the financial support or commitment that your district will be making. They should **not** reflect the total amounts budgeted to be paid by all participating districts over the school year.*
