Winter Recap

With spring in sight, we can't help but look back on all the activities that kept us so warm these past winter months.

Homecoming - The annual homecoming basketball game took place at Neumann University this year. The CCSA sabers were victorious over Jenkintown High by a score of 62-57. Our JV and Varsity cheerleaders put on a energizing performance at half time, as well as during the pep rally the day before. Later that night, our high schoolers dressed to the nines for the homecoming dance.

Student of the Month - 120 outstanding students were celebrated for going above and beyond in the months of December and January. The students were joined by their families for a sweet treat celebration and received a special certificate to commemorate their achievement.

Senior Pinning Ceremony - During the ceremony, seniors pledged a commitment towards their intent to graduate and pursue a post-secondary plan. Their support systems of families, guardians and friends also pledged a commitment to the senior to help guide them through their year.

Honor Roll Breakfast - 150 students in grades 3 -12 were recognized for their stellar academics throughout the first trimester. The students who made honor roll (received all A's & B's) and distinguished honor roll (straight A's) were treated to a pancake breakfast prepared by Chef Watts.

Art in Action

3rd graders in Ms. Yurkevicz's art class are currently doing a study on Takashi Murakami. Murakami is a Japanese artist best known for his bright and happy doodles. The students tired their hand at replicating Murakami's signature style by creating floral and smiley-face line drawings, and using colorful acrylic paint to create masterpieces of their own. The work is now hung throughout the school, brining joy to all who pass.
