Maryhaven in Delaware Announces **IMMEDIATE ACCESS TO SERVICES**

RAPID ENGAGEMENT SPECIALIST

The Rapid Engagement Specialist position was created in an effort to bridge the gap in services. Our goal is to improve access to care for both Substance Abuse and Mental Health clients by engaging the patient at time of need.

If you or someone you know is seeking services for mental illness or substance abuse, call the number listed below and speak to our Rapid Engagement Specialist, or *come to our Delaware office Monday through Friday 8:00 a.m. to 4:00 p.m.*

Services Provided

- Screenings
- Addiction and Mental Health Assessments
- Case Management
- Intervention
- Maintaining contact with the individual while providing brief, solution-focused interventions until the time of the assessment

Referral Sources

Referral sources should direct all individuals being referred for an assessment to our Rapid Engagement Specialist. Those seeking treatment in lieu of Conviction Assessments, please continue normal protocol.
