

## Campus Parent Portal

The Student Grades tab displays recent assignments that have been graded, a list of term grades by course. Parents are able to see all grading tasks, grades and can easily view all assignments for a particular course.

The Grades tool shows all of the grades earned by the selected student for all tasks (such as Trimester or Semester grades) and standards. Posted grades are displayed in bold, with In-Progress grades indicated as "In-progress." The student's Cumulative GPA also displays at the top of the Grades tab if enabled.

Show grades for a single term or for the whole year by selecting an option at the top. Expand the Settings menu to Hide dropped courses, Hide rows without grades or assignments, or expand or collapse all courses.

Where the grey arrow displays for a task or standard, click the task to view the Categories that contribute to the grade. Expand categories to view all included assignments. Click assignments to view details.

Grades that are part of a composite or rollup grading setup are indicated.
