## Freshman Sophia Truchon Represents South Shore at State

Danielle Mikula, District Administrator

This month, we would like to recognize a South Shore student who worked hard to achieve a goal. Sophia "Sophie" Truchon, who is in 9<sup>th</sup> grade, represented South Shore in Wisconsin Rapids for the State Cross Country Meet! Qualifying for state is a HUGE accomplishment, and is the result of dedication and hard work. South Shore students and staff held a special assembly with games, words of encouragement, and laughs to send Sophie to state feeling the love and support of her school community.

Sophie began running when she was in the 6<sup>th</sup> grade. She told me she had no idea whether she would be "even a little bit good at running", and she only started because her siblings did. As it turns out, she is more than "a little bit" good at it! All summer Sophie ran five days a week to get ready for the cross country season. She trained and pushed herself to keep up with her brother Daniel, who is also an accomplished runner. Sophie says her best accomplishment this season was reaching her goal of running a 5K distance in less than 21 minutes. Sophie also had a fantastic run at the state championships and finished 61<sup>st</sup> out of 152 girls with a time of 21:06. Beyond speed and personal records, Sophie quickly learned that running is just as good for her mind as it is for her body. On a hard day, a run is a great and healthy way for her to handle stress.

Sophie is an excellent student with a kind heart. She loves her dog Max, enjoys art and drawing, sewing, pasta, reading and quiet time. Church and her faith are a very important part of who she is. When I asked Sophie if there is anything she would want me to say on her behalf, she shared how grateful she is to her coaches, Coach

Lahti and Coach Hoagland, and to her mom and dad. These adults have all encouraged her and been there for her to help her achieve her goals. She also wanted to give a special thank you to the whole cross country team for their friendship and encouragement.

**Congratulations, Sophie!!**

## FIRST LUTHERAN CHURCH PROVIDES MEALS TO STUDENTS BEFORE HOME BASKETBALL GAMES

**B**asketball season is here! The First Lutheran in Port Wing will again be offering meals to all students of South Shore beginning December 1, 2023. Meals will start at 3:30 p.m. and go until 5:30 p.m. for each varsity boys and girls home games.

It is our pleasure to do this for the students of South Shore. We hope they enjoy coming as much as we enjoy having them.

We are only able to provide meals through the generous support of our South Shore community. Thank you everyone who has provided food, money, and their time! We hope you will continue to do so.

If you would like to donate food (chicken, roast, round steak or any cuts of meat), brownie mixes, peanut butter, large bags of frozen tator tots, cream soups, canned vegetables (corn and beans) macaroni, onions, potatoes, lasagna noodles, money, desserts or to help prepare or serve a meal, please contact Joyce Olson at 715-774-3636, Carla Bainbridge at 715-774-3245, or Beth Carlson at 715-774-3606.

## CESA #12 Coach Visits Classrooms

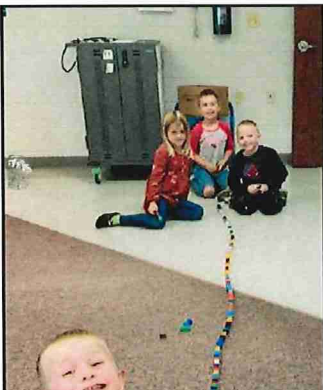

Last week we had Diamond, a coach from CESA #12, in our classrooms observing instruction and providing feedback on best practices that impact student learning.

During fourth grade music, the class was discussing how to honor a veteran as we prepare for our upcoming Veterans Day celebration. It just so happened that Diamond was invited into the conversation, and she is a veteran!

Our students asked if they could hug her as a thank you for serving our country, and she kindly accepted. We have such grateful and respectful students! This is what it means to be a South Shore Cardinal.

## Our Kindergarteners had a great week of connection and learning!

What happens in the brain when a child feels belonging, and why are relationships SO important to us at South Shore?

When a child feels safe and connected....

- The part of the brain responsible for impulse control, short-term memory and judgment lights up.
- The social and emotional hub of the mind signals to the body feeling feelings of safety, assurance and confidence.

They remember what they learn, develop new skills, and their self-efficacy improves. (Oh yeah... and they also smile like this!)

## Alumni Kristy & Anna Berington Share Their Alaskan Experiences

Here are a few highlights from our special visitors, South Shore Alumni Kristy and Anna Berington. They visited with the 2<sup>nd</sup>, 4<sup>th</sup>, and 6<sup>th</sup> graders to share their experiences living in Alaska, raising sled dogs, and running the Iditarod race!

The students loved hearing about their lives and asked many questions. Many students wondered if their pets at home would make a good sled dog?

We greatly appreciate the Berington sisters sharing their inspiring stories with our students. What great role models!

Mush  
On!!

## Cross Country Highlights:
