

The Sydney Health app

Connect with the care you need

Quality care at a reasonable price is important to good health. When you log in to the Sydney Health app, you can search for doctors and healthcare facilities, find and compare service costs, and see personalized recommendations for wellness programs.

Sydney Health helps make your healthcare experience:

Simple

The app is user-friendly and seamless, with one-click access to its many features.

Smart

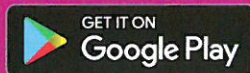

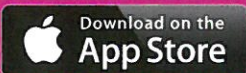

It can respond to your health-related questions and guide you toward the right resources for your needs.

Personal

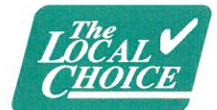

Sydney Health can send customized alerts, reminders, and tips to address your specific health concerns.

The Sydney Health app can connect you to all your benefit, claim, and provider information in one place, 24/7.

You can download it today through the App Store[®] or Google Play[™]. Then, log in with your Anthem username and password to start using it or switch from another app.

We're here to give you the support and answers you need. You can chat with us live on Sydney Health, call the Member Services number on your ID card, or enable the **Anthem Skill** for Amazon Alexa.
