

Port Neches-Groves ISD Skyward Student-Family Access Instructions

Access to Skyward Student Family Access is a privilege, not a right. Registered parent(s)/ guardian(s) will have access to their child's grades, attendance, vaccination compliance records, schedule, demographics, and emergency contacts. The parent(s)/ guardian(s) access requires responsibility. To ensure users are acting responsibly, administrators and teachers may monitor log on records and e-mail correspondence. Parents and guardians will be held responsible for the proper use of accounts, and the District may suspend or revoke access if rules are violated.

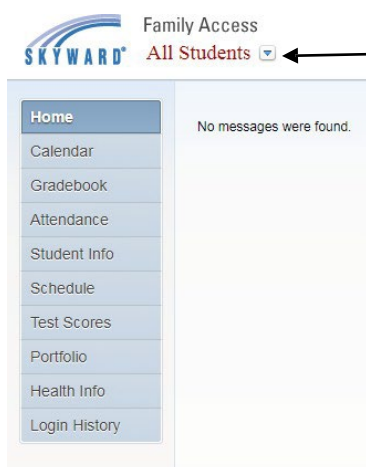

Inappropriate use includes:

1. Using someone else's account or accessing another individual's records without permission.
2. Downloading or using copyrighted information without permission from the copyright holder.
3. Gaining or attempting to gain unauthorized access to restricted information or resources.

Port Neches-Groves ISD has no warranties for the access it provides. The District will not be responsible for the accuracy, nature, or quality of information or content accessible through Internet links.
