

Strafford Early Childhood Preschool

Who Qualifies?

Strafford Schools offers FULL DAY , 5 days a week preschool, FREE to Strafford residents on a first come, first serve basis. Students must be 4 years old before August 1st.

What do we do in Preschool?

Strafford preschool follows a pre-kindergarten curriculum emphasizing social and academic skills. Progress of preschool children is closely monitored, and parent/teacher conferences are held twice a year. Students become familiar with school rules and routines while participating in a wide variety of learning activities.

How do I sign my child up?

Each year we open Preschool Screening Sign Ups in January for the next school year. Screenings will be held each March. Be watching on our website and social media to register your child.

Is there before and after school care available?

While there is no transportation available for Preschool students, PowWow, our after-school care, is available AFTER school only. This is on a first come, first serve basis, and while Preschool is FREE, PowWow does cost.
