Science Technology Magnet Program Hand-Written Statement of Interest

Student First Legal Name _____ **Legal Last Name** _____

Grade:_____ **Neighborhood school:** _____

Select ONE lottery location: ☐ **Briarwood** ☐ **Cascade Ridge** ☐ **Clark**

REQUIRED:
All students must submit a hand-written, meaningful Statement of Interest using **THIS** form explaining why they would like to attend the 4/5 Science Technology Magnet Program.

Purpose: The purpose of this requirement is to provide students an opportunity to elaborate on why they want to attend the Science Technology Magnet Program. In the past students have written about their interest and passions, college and career goals, and skills and character traits they have or desire to develop as a part of the program that would make them a contributing and valued member of the Sci-Tech classroom community. While the paragraph is a required part of the application it is not graded, weighted or a part of the lottery process.

The Statement of Interest will be uploaded during the lottery registration process.
