SUPERINTENDENT'S REPORT:

Dr. Bovalino reported that Laney Shanor Lyons' husband works for Freight Express and he informed Laney that they receive a lot of office furniture that is no longer in use and one day he called her and said that there was a dentist's office that was getting rid of all of their furniture and suggested she come down to see what was available. So they sent a couple of trucks down and they received 40 chairs which are being used in the Board Room, some offices and other areas of the school. There was no fee to be paid for the chairs but they thought it would be appropriate to give the people who helped load the trucks \$50.00 for their lunch.

It was reported by Dr. Bovalino that to serve our schools the Clergymen and community members of the local school districts wanted to volunteer services to recognize the good work that is being done in the schools. Rochester had 60, New Brighton had 20, and Beaver Falls had 20 volunteers here at our District to do various chores, such as mulching out of doors and painting inside the building, etc. They would like to do this every year for the schools. There were also members of the Rochester Area School District here to help and oversee. They all had lunch here together. Dr. Bovalino said the fellowship of all of the people was very rewarding.
