SOS & COMMUNITY

Saturday was a busy day on campus! We held our annual Serve our Schools, in partnership with local churches, in the morning. About 50 volunteers joined the staff to mulch, paint, organize, and pray for the opening of our schools. In the afternoon, we had our first annual Community Day – which was also a great success. Community members came together to offer free haircuts, school supplies and clothes. There was also a dunk tank, baked goods and drinks.

Our elementary summer school and extended school year programs were a great success and averaged 30 students each day. The elementary children worked on strengthening their math and reading skills. The ESY program concluded with a Lemonade Stand.
