

2021-2022 Beulah Middle School Continuous Improvement Plan

Beulah Middle School

Vision

It is the vision of the Beulah Public School District #27 to be a school where all students are achieving at their maximum potential in an engaging, inspiring, and challenging learning environment.

Mission

It is the mission of the Beulah Public School District #27 to provide educational opportunities that empower, encourage and engage our students.

Beliefs

- Providing strong leadership
- Providing staff development
- Creating empathetic & caring environments
- Making sound fiscal decisions resulting in quality facilities & education resources
- Cooperation among all stakeholders
- Choice Ready graduates with strong 21st Century Skills

Personalized Learning

Objectives

- Implement personalized learning plans & teaching practices to promote student engagement.

Critical Initiatives

- Provide staff development in areas such as project based learning, individualized instruction & engaging teaching practices.
- Collect & analyze student data to determine individual learning pathways.

Learning Environment

Objectives

- To address immediate and long range needs of the district's facilities.
- Promote an environment that is conducive to enhancing the physical and emotional well-being of staff.

Critical Initiatives

- Update facilities' plan to reflect current maintenance needs of the district's aging facilities.
- Conduct thorough evaluations of all facilities to identify and prioritize areas of need.

Student Support

Objectives

- To implement an MTSS program that will support student wellness and academic growth.

Critical Initiatives

- Conduct professional development to ensure interventions and services across tiers are implemented with fidelity.
- Create and implement district wide student behavior expectations, evidence based social/emotional learning curricula and interventions.

Critical Initiatives

- Develop engaging lessons, activities & projects that will empower students, connecting them to their passions in order to achieve their maximum potential.

Critical Initiatives

- Create a facilities safety check plan requiring scheduled walk throughs and safety checks.
- Offer access to an employee assistance program.
- Create and maintain a staff wellness committee.

Critical Initiatives

- Collect and analyze mental health screening data and implement appropriate interventions.
- Collect and analyze academic data and implement individual educational plans and supports.
