FROM THE CHAIRMAN OF THE BOARD OF TRUSTEES

I am delighted to report that we received a very positive evaluation on a preliminary accreditation review recently conducted by the Council of International Schools (CIS) in which IC was

highly praised for its strong academic foundations and positive learning environment.

This recognition is a reflection of the outstanding work and dedication of our faculty and administration. While operating in a challenging economic environment they have consistently provided IC students with a high-quality education. They are the driving force behind the excellent performance of our thriving student body, and the gatekeepers of the distinctive IC Spirit.

On that note, we are particularly proud of the efforts we undertook to support our faculty and staff during these past few years of economic crisis. This wouldn't have been possible without the support of our donors, who helped us to raise, over a two-year period, \$2.5 million for a Solidarity Fund that benefited faculty and staff.

Financial aid for our students and improvements to our campus also remain key priorities for IC. This year we provided 650 students with financial assistance while making important improvements on our two campuses.

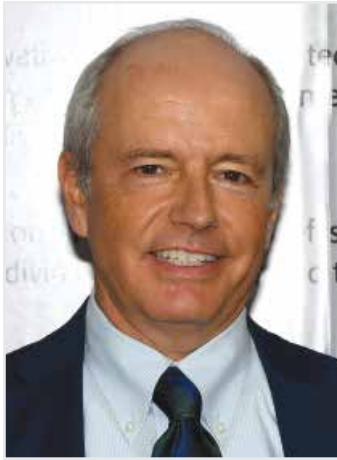

I am pleased to announce that we are

nearing the completion of a strategic planning process, which engaged parents, faculty, administrators, students, alumni, and trustees. This effort has thus far resulted in the development of an updated set of guiding statements including a motto and a newly revised core values and mission statement. Additionally, the strategic steering committee is currently drafting a teaching model that will further advance our educational programs that focus on student centered inquiry-based learning as well as a five-year facilities plan.

The generous assistance we receive from our donors is essential to making IC the exceptional institution it is, and we are sincerely grateful for your continued support. Your donations play a critical role in ensuring the innovative and sustained success of International College as we look forward to many more years of achievement and growth.

Thank you for being an integral part of our community and for your unwavering support.

Donald J. Selinger

FROM THE PRESIDENT

Dear members of the IC Family,

As we reflect on the past academic year, we are filled with gratitude for the steadfast support of generous donors like you. Your commitment to our school's mission of educating the

leaders of tomorrow has made a significant impact, especially during a time of economic challenges in our country.

In the face of a challenging economic landscape marked by substantial inflation and the devaluation of our local currency, IC continued to operate at its full potential. The funds raised through your contributions were instrumental in providing crucial financial support to both our dedicated personnel and students in need of financial aid. Your generosity allowed us to maintain a vibrant and thriving academic community.

Throughout the year, we remained committed to offering a diverse range of curricula and extracurricular activities.

1100 students actively participated in interscholastic athletic teams, showcasing the spirit of teamwork and sportsmanship.

The arts took center stage, with two wonderful theater plays produced by our middle school and a fantastic and whimsical musical presented by our elementary school. In May, both campuses came alive with a spectacular art show, showcasing the remarkable talent of our students.

The Ali Ghandour Center for Leadership Diversity, and Civic Engagement played a pivotal role in shaping the leaders of tomorrow. Ninety-Three

secondary students were actively involved in this program, participating in leadership and civic engagement training and initiatives that will undoubtedly leave a lasting impact on their lives and the community at large.

One of our proudest achievements was the "Akla w Bassme" food truck initiative, led by our grade 10 and seconde students. This endeavor not only provided a meal with dignity and compassion in a festive atmosphere to 1600 members of disadvantaged communities, but also enabled our students to forge meaningful connections with wonderful individuals they might not have met otherwise.

We are pleased to share that, once again this year, our students achieved excellent results in national and international exams, and our college acceptance rates reflect the high academic standards upheld at IC.

All of these accomplishments are a testament to the dedication of our school community and the invaluable support we receive from our esteemed trustees and donors like yourself. Your unwavering generosity has empowered us to overcome challenges and continue providing a top-notch education to our students.

Thank you for being a crucial part of the IC family and for your belief in the transformative power of an IC education. We are looking forward to the future and to the continued success that your support will undoubtedly bring.

With heartfelt gratitude,

Joel Peinado
President

ANNUAL FUND

ETHICAL

ACADEMIC

SOCIAL

PHYSICAL

AESTHETIC

Every year, International College relies on the support of the Annual Fund from its alumni, parents, trustees and friends. As is the case with many independent schools, tuition fees at IC does not cover full operating costs. Programs which give IC that margin of excellence have to be funded elsewhere, namely through private contributions to the Annual Fund. The Annual Fund is made up of yearly gifts that go directly into the operating budget and are earmarked for school enhancements including financial aid, faculty development and student extracurricular programs.

Established in 2019, the Ali Ghandour Center (AGC) for Leadership and Civic Engagement (AGC) marks the first community-based learning center of its kind at the secondary school level in the region. Jointly funded by IC and the Ghandour family -Raghida, Amal and Fadi Ghandour- the AGC offers an intensive leadership and dynamic citizenship program through a Community Engaged Learning (CEL) model. Spread over three years, starting with the 10th grade, the program mentors students through a sequenced journey, beginning with extensive volunteering with an array of grassroots organizations and culminating with students leading Community Service Projects (CSPs).

“I AM IC” is a touching story of a school looking for a place it could finally call home.

Gifts to the Endowment Funds create a principal that left intact will provide interest earnings on that principal. This interest provides capital for designated purposes such as scholarships, financial aid, special projects and ongoing support to the school. Donations may be made to any endowed fund in honor or in memory of a loved one or special person. A gift to an endowment fund is truly one gift that “keeps on giving”.
