

Heritage Middle School Calculator Rental Agreement

The TI-30 calculator can be rented from Mrs. Ramirez in the library. The cost of the rental is \$10.00 for the school year.

The student renting the calculator will be responsible for maintaining possession of the calculator and keeping it in good working order.

The calculator will be the responsibility of the student. Any student whose rented calculator is lost, stolen, broken, or not returned by Tuesday, May 21, 2024, will be billed \$20.00. Students must return the specific calculator that is rented to them. Each rented calculator will have an identification number.

If you agree with the terms of this rental agreement, please sign below, and return this form with \$10.00 in cash or check made out to Heritage Middle School. Calculators available will be rented on a first come/first served basis.
