To Whom It May Concern:

Banquete ISD is inviting you to be a part of our First Annual College and Career Readiness Tailgate on Friday, October 14, 2022. The Banquete High School Pathways to Technology Program (BHS P-TECH) is excited to announce a new tradition in our community aimed at promoting lifelong education and career opportunities to all our scholars - PreK to 12th grade.

To our treasured families, we ask that you consider visiting our tailgate before our game against the George West Longhorns. Help us make this tailgate a successful community tradition! We will have plenty of fun, family games, a concession stand (with proceeds going to our Junior class,) and information about college and careers available to our students.

To our community members and institutes of higher learning, we are seeking partnerships with colleges and universities, as well as local businesses and industries, to support the mission of our school: to prepare ALL students with high-level academic and 21st-century skills and equip them for professional and personal success. We would love for you to have a part in this.

An educated community is an asset to society, and at Banquete High School, our teachers and staff are working tirelessly to make certain that every child who walks through our doors walks out prepared for success. We see our students not just as they are, but as who they will become! Help us make our vision a reality - that ALL students succeed in their future endeavors - whether in college, in a career, or in the military.

Festivities begin at 5:00 on Friday, October 14, 2022, at Bulldog Stadium. We hope to see you there!

Respectfully,

Elsa Rodriguez Hofstetter
Principal
