NOTES:

1. Mr. Clair called the meeting to order at 6:01 PM. The meeting was held in person and via zoom.
2. New Club Proposals
 - a. Spikeball- Kiley Kreider presented on her proposal for a spike ball club at the high school. This club would meet after school on Monday and provide an opportunity for students who enjoy the activity. Kiley shared there was a miss communication with the faculty advisors, and she is looking for replacements. Mr. Hahn commented the club could utilize the equipment from the PE department. In terms of cleaning and sanitization, Dr. Flannery informed Kiley that a staff member must complete all work per the District's Health and Safety Plan. Based the ability to secure a club sponsor, this club will go to the School Board.
 - i. ACTION: Approval pending club sponsor.
 - b. Debate Club- Bella Harrill and Audrey Cressler presented Speech and Debate club sponsored by Mr. Harrill and Mrs. Cozzens. The club is a seeks to provide "opportunity to thoroughly research, organize, and debate a topic respectfully with their peers. The goal is to allow for polite discourse and encourage the expansion of horizons and knowledge" for high school students. Meetings will occur in the media center on Fridays after school.
 - i. ACTION: Approved and Take to School Board for consideration
 - c. Diversity & Inclusivity Club- Neel Patel presented the Diversity and Inclusion Club. Evangeline Guttedar was not able to attend. Neel provided and overview of the club's goal as a safe place for all. The club sponsors are Mrs. Horan and Ms. Malda. The Committee discussed the goal of the club and its need for fundraising as there was some confusion regarding the purpose for fundraiser. The feedback provided to Neel is to focus on starting the club and gathering support to identify its central mission before embarking on any fundraising activities.
 - i. ACTION: Approved and Take to School Board for consideration
3. Health & Safety Plan for Spring
 - a. Dr. Flannery provided an overview of the Health and Safety Plan for the spring. These items were linked in the agenda. Dr. Flannery shared that the PIAA is set to meet the upcoming week and this will provide more guidance for spring sports. However, the plan does follow the template established from the fall as many of the sports are outdoors.
4. Preliminary Discussion of Summer Extra-Curricular Activities
 - a. The committee had a preliminary review of summer activities where Dr. Flannery sought feedback on how operations will occur over the summer when not all staff are not present. Thus, she asked for feedback to help guide planning for summer activities. Mr. Hahn questioned if coaches would still be required to chart player vitals when they entered the facility. Dr. Flannery is going to check to determine next steps. Dr. Flannery said she would check to finalize if students need to submit another form.
5. New Committee Members- Recommendation to approve Justin Barbush, Hannah Adair, Connor Caterbone, Sophie Garman, Ben Ginder, Madison Kreider as members of the Activities Committee
