

Dear Boulder High Parents,

Planning for After Prom is underway! After Prom is more than a party. It brings together students from both Fairview and Boulder High's proms immediately following each school's individual prom, for an epic and memorable night of fun. The event allows for a fun, safe and drug/alcohol-free event where we provide a place to continue celebrating, free food, casino and games, great prizes, and complimentary rides home.

This event is entirely organized and run by Fairview and Boulder High School parent volunteers. We need the support of the community and all parents to make this happen.

Parents - Will you please help us keep our 1500 kids safe on Prom night by supporting FHS/BHS After Prom? Here's how you can help:

Family monetary donations: We are gladly accepting family donations; \$150 is our suggested per family contribution but anything that meets your family's individual needs is greatly appreciated. [DONATE HERE](#)
