

How to Succeed in Math

at RWB

- ☺ **Learn your basic Math facts (Addition, Subtraction, Multiplication, and Division)**

Some Helpful Websites:

www.funbrain.com/math/index2

www.aplusmath.com/cgi-bin/games/matho

www.mrnussbaum.com/multiplication

- ☺ **Bring your completed summer package the first day of school. It counts as a test grade.**

- ☺ **Buy your own scientific calculator(Casio Fx-300MS)**

- ☺ **Come prepared with all your materials:**

- **½ or 1 inch hardcover 3-ring binder with inside pockets**
- **A hole punched pocket folder**
- **1 standard composition notebook**
- **1 thin plastic or cloth whole punched pencil case. The thinner the better.**

- ☺ **If you work hard and do your best, you will succeed in Math!**
